Hospitals Applaud Commitment to Health Care

CRANSTON, R.I. – February 2, 2016

“The Hospital Association of Rhode Island applauds Governor Raimondo’s commitment to strengthening our state’s health care system,” said Michael R. Souza, president, Hospital Association of Rhode Island. “Although hospitals will face reductions in the proposed budget, we look forward to working with the General Assembly and Administration to implement lasting solutions that provide us the resources and tools necessary to transform the health care delivery system. Hospitals will continue to invest in innovation, technology, and a high-quality workforce with the continued support of our State partners.”

###

Founded over a half century ago, the Hospital Association of Rhode Island is a statewide trade organization that assists member hospitals in effectively meeting the health care needs of Rhode Island, through advocacy, representation, education and services. HARI members work collaboratively to improve the quality of care delivered and address issues threatening access to health care. HARI members work together to ensure that all Rhode Islanders will receive comprehensive, high-quality health care.
