

What disciplines earn points?

The disciplines we currently award are: *Hunter, Western, Halter, Sport Horse Under Saddle, Sport Horse In Hand, Western Dressage, Dressage, Specialty, Working Western, and Open Shows*. Disciplines may be added, or combined at the discretion of the Board of Directors and based on participation. Disciplines with fewer than 2 participants may be combined with other appropriate disciplines that have low participation.

How are points calculated?

All Breed English and Western- 1 point per horse placed after you to 6th place (3rd out of 11 = 8 points) In scored events points are only awarded for participation after 7th place, so if you're 13th out of 30 you get 1 point.

Rated Breed Show or Rated All Breed Specialty Show - Guaranteed points to 5 places (5-4-3-2-1) with additional points awarded in classes larger than 5 horses. You earn one point for every horse you beat. Participation is awarded 1 point for completing a class at a rated show, so long as the class is reflected on official AHA results.
