

RV Rental Insurance Info

Go to www.mbachoice.com.

Click on “purchase rental insurance”.

Make sure you get the insurance for every day you will have the RV in your possession. You may select the optional liability insurance for your protection. This policy provides just the minimums that the State requires and the coverage is minimal at best. MBA charges \$28/day for this policy plus a \$10 processing fee.

The policy number is **302150** and the last six numbers of the VIN are **BA7200**.

You will need both of these to purchase the insurance. The system will email me once you have purchased the insurance. Please keep a copy of the policy with you throughout your rental
