DESCRIPTION: VERY RARE Bear Kodiak Special. Truly a collector's item. Gay limbs on the back, and brown on the face. This was the only year Bear made a 60" Kodiak Special. Also, the only year Bear measured the bow at 26" draw length instead of the customary 28" draw. Great looking bow. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. NO drilled holes. No chips or dings; one small filled crack on face of the draw shelf (see pic). No stress lines or crazing. A few very minor scratches and scuffs on the limbs. The leather bow grip has been replaced. This is a really nice bow in excellent condition for its age. The bow cost \$59.50 back in 56, which translates to \$549 in 2019 inflation adjusted dollars.
