

Block for Shop Hop 2020 Quilt
Quilt 'n' Fabric

Cut: Background square 12.5 x 12.5 inches
4 large circles centering one bird 5.5 to 6.5 inches diameter
4 medium circles of coordinating shop hop fabrics 3 inches diameter
4 small circles 2 inches in diameter.

Place the small circles on top of the medium circles. Pin to a tear away back. I satin stitched, but use whatever applique stitch you wish.

Place the larger circles on the background. Place the smaller flowers (?) however you wish. Use your favorite applique stitch and finish the block.
