

VETERANS OF FOREIGN WARS AUXILIARY

2017-2018 State Convention Flag Presentation

When: Friday Morning June 15, 2018

Where: VFWA Convention Floor

Who: District Presidents, Auxiliary Presidents, all members in good standing

This year we are doing something different. For our flag presentation I would like all District Presidents and Auxiliary Presidents to participate.

Just bring your patriotic self to convention on Friday morning dressed for the occasion. You all look so good in red white and blue!

I will provide the flags. There will be a short practice Wednesday morning June 13. District Presidents please be at this practice if at all possible.

I will also need all District Presidents to provide me with the name and Auxiliary number of each Auxiliary President participating from your District **before** the start of the program on Friday morning.

Let's rally around our flag as we "Stand Together with Veterans and Family" and "Catch the Dream for our Veterans".

Thank you,
Debi Beck
