

Hudson Elementary School
Christmas Toy and Food Drive

If you've been with the club for a while, you might guess where I'm going with this. **Yes... it's once again time for the Hudson Beach Yacht Club's annual drive for toys and food-stuffs for the children at Hudson Elementary School and their families.** Roughly 84% are disadvantaged, and this is a great opportunity for us to open our hearts and purse strings to help ensure that all of these children enjoy a Christmas to remember with something under tree.

There are lots of positive things I can say about our members, but one thing that makes me especially proud of all of you is the kindness and selflessness you exhibit year after year in contributing to this most worthwhile event. You always consistently overfill the back of my pickup truck with your donations, and I can assure you that there are many underprivileged children delighted on Christmas morning - only due to your love and generosity!

If you wish to participate this year, please bring your choice of new, unwrapped toys and gifts suitable for boys or girls ages 5 to 12, and/or any canned or packaged foodstuffs (hopefully not out of date!) to our meeting next month on December 3rd. We'll drop them off the following morning at the school, where the school staff can then sort and arrange to distribute them for Christmas.

My Christmas Wish:

Last year you not only filled the bed of my truck, but also filled the back of Gene Michaux's minivan. Let's see if we can do the same or even better this year!

Come Christmas morning, you'll be able to crack a really big smile knowing that you made some kid's Christmas special.

Guy Colson,
Publications Director
