The Western Civic Amenity Site is pleased to announce a new partnership with Rotary Club of Douglas in collaboration with PhysioNet.

The site already collects disability aids on behalf of Noble's Hospital, but now we will be working with Rotary Club of Douglas in conjunction with the PhysioNet Charity to collect all disability aids and equipment along with child car seats, they will then be refurbished and used with charities across the Globe.

So what does not get reused by Noble's Hospital will be put to good use.
