PRESIDENT'S NOTES

As we head into another month of hot weather, if for nothing else, there is only one club event which is the Lake Kennedy tournament Sunday, August 11th. Having that said remember to hydrate prior to getting out into the water with pros suggesting 3-4 bottles of water before your boat hits the water.

For the first time in at least five years, we filled the mini-bucks field the first outing. For those who might have considered waiting to a possible 2nd tournament, it's hard to comprehend how little fish it took to get there and no spots remain. Come October, twenty of us will fish off for 10 positions.

We were expecting a gentleman I met from Hostile Baits/member of the old Fort Myers Bass Club to come by and speak briefly with you on his line of Senko style baits. He probably won't make it this meeting but expects to in

September. So if you're tired of spending \$7 to \$9 a bag, he may make you feel better about spending \$4 a bag on a style you wish.

Other than that, looking forward to the next tournament and hope to see you all at the August meeting.

Fish On!!
