Company

Canada's largest privately-owned and operated Information Technology (IT) solution provider with extensive service and support resources is hiring! Their vision is to "simplify the business of technology, together" by focusing on business objectives and outcomes, aligning the most relevant and effective IT solutions to meet those requirements and providing extraordinary ongoing support capabilities.

Every day, over 1500 dedicated employees across Canada focus on providing extraordinary customer service and support experiences to private and public sector organizations. Since 1981, they have developed a strong reputation with market-leading vendors and customers for creating, implementing and supporting creative IT solutions that delight thousands of customers.

Job Duties

- Configure systems using knowledge of current PC technologies
- Identify and resolve software and hardware related issues
- Meet production deadlines daily as assigned by the Configuration Scheduler
- Communicate with vendor specific & internal technical support staff to resolve technical related issues
- Follow ISO procedures outlined in the Quality Management System
- ✓ Employer offers perks including a ride share program, ongoing learning opportunities through internal Academy, health and safety training, subsidized cafeteria and more !

Requirements

- **Clear background check is required**
- **Post-secondary education in electronics or related information technology program**
- **A+ certification**
- Refurbishing experience with desktops, notebooks, and printers
- Ability to complete tasks with minimal guidance and supervision
- Superb communication skills, both verbal and written
- Ability to meet deadlines and learn quickly

- You are comfortable working in a team and sales-oriented environment
- **You have the ability to lift a minimum of 30 lbs.**
