

CFI. CFII. MEI.

RICHARD ORTENHEIM

Richard Ortenheim is the owner and president of Skyview Aviation, LLC. Richard is originally from Sweden but has been in U.S. since 1986. He began his flight training at North American Institute of Aviation in Conway Myrtle Beach via a 141 program operated by Swedish Scandinavian Airlines. After completing his training he moved to the San Francisco Bay area and has co-founded several successful Aircraft Sales/ Flight Schools. In 2001 Richard founded Skyview Aviation, LLC; specializing in International Aircraft Sales and International Aircraft Delivery via Ferry Tanking and Containerization and has since expanded to Flight School Operations.

Richard is a holder of many ratings and certificates including: CFI, CFII, MEI, Commercial Helicopter Certificate, and is Skyview's 141 Chief Flight Instructor. He has accumulated over 14,000 flight hours. Richard has also been an Airframe and Power plant Aircraft Mechanic with Inspection Authorization for over 20 years, and is a Designated Airworthiness Representative as a private contractor for the Federal Aviation Administration.

Richard - "When I have free time, I enjoy being able to relax on my boat, play on the golf course, and travel with my wife Conchita!"
