

**HANNAH BREIER
NVHS BOOSTER CLUB FEATURED WINTER SEASON ATHLETE
GIRLS BOWLING PROGRAM**

Booster Club Reporter: When did you start playing your sport/how did you get introduced to it?

Hannah Breier: I've been bowling for 8 years. My whole family bowl's and I wanted to start bowling competitively on a league. My brother and I were number 1 in our first league and I knew from then that I was going to stick with bowling.

Booster Club Reporter: Do you play any other sports?

Hannah Breier: I only Bowl.

Booster Club Reporter: What has your sport taught you/what lessons have you pulled from it?

Hannah Breier: This sport is all about not giving up. I have learned that giving up is not an option no matter how hard things get.

Booster Club Reporter: What do you wish you knew when you were just starting?

Hannah Breier: Winning isn't always the answer. I was much more about being the top bowler and I would always focus on score. Now, however, I am much more about the fundamentals and trying to improve my game every practice.

Booster Club Reporter: What quote/inspiration do you resort to when things get really hard?

Hannah Breier: Again, never give up. This is something I use in bowling and in life in general. Even if I start a game with a horrible score, I can't give up because every game can be great as long as I take it one frame at a time.

Booster Club Reporter: Share something about you that isn't well known.

Hannah Breier: People have told me that I seem to be shy and quiet. The truth is, I am fiercely competitive, I hate to lose, but I don't like to show my emotions.

Booster Club Reporter: Where do you go from here? College plans?

Hannah Breier: I'm looking to major in Mechanical Engineering. I'm also hoping to Bowl in college for a division 1 program. We are in the process of searching for schools and narrowing down my list.

Booster Club Reporter: Do you have a role model?

Hannah Breier: My dad is my role model. I hope to follow in his footsteps and become an engineer. He has always been there to push me to be the best in school, bowling, and to be a good person overall. I never would be who I am today without him being there to support me with everything that I do.
