

# Christ the King Learning and Growth Center

January 2019

Reading with your child daily stimulates the brain, enhances their concentration, encourages a thirst for knowledge, develops creativity, imagination and empathy. Studies show that daily reading helps to develop language skills and literacy skills that aid in their own education of learning to read and write.

## Wash Your Hands After...

- 1 Playing with pets
- 2 Using the bathroom
- 3 Sneezing, blowing your nose & coughing
- 4 AND Before... Touching a cut or open sore

**COOL KID FACTS:** A caterpillar begins its life as a tiny egg. When it hatches it very hungry and eats ALL the time. The caterpillar grows and grows then it spins silk around itself to make a cocoon, a hard case. An amazing change takes place inside the cocoon. The caterpillar slowly turns into a beautiful butterfly.

**JOKE OF THE MONTH:** Knock! Knock! Who's There? Lettuce! Lettuce who? Lettuce in and you'll find out!!
