

NO HOTEL OR EVENT CENTER IN GALE RANCH!

Dear Mayor, City Council and Planning Commission:

As a resident of San Ramon, **I do not want** a hotel or event center on So. Gale Ridge Road because of:

- Greatly increased traffic on Bollinger Canyon Rd/Gale Ridge
- Increased demand for City services (Police/fire/maintenance)
- Increase in level of crime in the area
- Danger to children using school / comm. center / preschool
- Reduced emergency access on Bollinger Canyon/So Gale
- Reduced quality of life for residents of San Ramon

Use your power as elected and appointed officials to stop this commercial development in a residential neighborhood.
