Clemmons, NC 27012

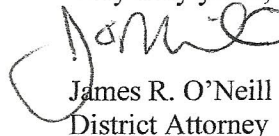

Dear Mr. Vincoli:

On March 27, 2012, I received your undated letter requesting confirmation that this office had not "leaked" information to North Carolina Baptist Hospital regarding an alleged conversation between someone from the Attorney General's Office and the SBI pertaining to your allegation of fraud against the hospital.

Please be advised that this office has not received any information from the SBI or any other entity related to a criminal investigation of NC Baptist Hospital or their billing rates applied to the State Health Plan, which I understand to be the subject of your allegation. Having received no investigative report, we would not be aware of any details contained therein.

Further, after you contacted this office, I telephoned the Attorney General's Office requesting that they adopt this matter if it was determined after investigation that criminal conduct had occurred. This office has not been privy to any investigation, research, discussions or decisions related to North Carolina Baptist Hospital or their interaction with the State Health Plan.

Very truly yours,

James R. O'Neill
District Attorney
