

*Daniel Sunvold, Jr.*

**Scholarship:** \$10,000 Renewable Anchor Scholarship sponsored by BAE Systems Ship Repair (\$2,500/year for 4 years)

**College:** VA Tech  
Senior

**Major:** Meteorology

This has been my first full year in meteorology since transferring into meteorology. I have really enjoyed all my classes so far and have made a great group of friends within the major! I'm looking forward to completing my field experience this upcoming May when I head out to the Great Plains as part of the Virginia Tech Hokie Storm Chasing team, where we will track/chase and study storms. I am also very excited for the summer and what it brings, whether it be an internship or a job, and am looking forward to my senior year and graduation next May! - **Danny**
