Celebrate with us
Mary & Colin's
Nov 2nd wedding

It's all about Jesus, we all know he is the true reason for the season and Jesus is all about orphans and widows in distress Boy do we have that well covered !!! LOL (whats better than laughing) and not forgetting his desiring of all to come to know his Abba Father !!! Please check out Tiyamike News Letter 24 December 2022 (we can resend it to you if you wish) it contains many more pictures of Tiyamike children, how they have grown and changed WOW!! ... Perhaps a challenge of matching the faces of these 30 pictures taken Nov 2024 (just some of the 70 children) with 24 Dec 2022 newsletter. So nothing much has changed costs have increased beyond any anticipated level ... our staff have suffered beyond what we would ever have forecast with the difficulties so many world wide are battling with. We are so thankful for the grace given to our manager Mike and operations manager Bello as they have dealt with the sadness of repeated failures of meeting budget needs and the resulting serious staff difficulties providing for their families bringing heart breaking discouragement. Pam and myself are so appreciative of the Joshuas and Calebs, you who have continued to provide what you have been able to in obedience to Holy Spirit and your willing hearts, in many cases for years. We know the true appreciation comes from "well done faithful ..." So this story told so many times and it is well realized these news letters serve small purpose (it is all about obedient and willing hearts) other than to let it be known (in terms of Tiyamike) we are it seems "... *hard pressed on every side, but not crushed...*" 2 Cor 4: 6,7,8 seems in some limited measure applicable. Including vs 16, 17, 18... Always in mind of: 2 Cor 9:7-9 "..... *decided in your heart..... not reluctantly or under compulsion...* Please check out previous newsletters or email us for giving details. (soon is ok)

Tiyamike Christmas this year is looking like having as good and tasty dinner as we can provide, with limited if any gifts. The focus is to continue putting all funds towards the catch-up of 2024 costs.

AND, an invitation to discuss managing the TMC Go-Daddy web site. Also keep an eye out for a mature God/People loving, Romans 8 aware person with accounting, with or willing to have Africa experience (pro bono) as P.A. (don't have to be living locally) for Will n Pam

AND, do you know any mature, flexible, God/People lovin, laugh lovin couples complete with nudge to check out Tiyamike for regular month or so visits???

Pam n Will personal update: We are humbled and appreciative for the timely personal gifts of dear friends that have allowed us to cover the extra costs of fighting the cancer. A highlight of 2024 was an all expenses paid 10 day cruise with long time friends. A life experience which we had never remotely considered. We were disappointed to be unable (due to health issues) be in Bangula with the children and staff this December. Today Dec 18 we received news leading to understanding, a greater miracle is needed and expected, to bring welcome bafflement to the medical providers who truly care for Pam and even myself. Our hope and plan is to be able to visit Tiyamike in April this coming year. What about you?
