

May 2023

Aloha!

The American Society of Civil Engineers (ASCE) Hawaii Section cordially invites you to participate in the **20th Annual Scholarship Golf Tournament in Honor of Steve Fong which will be held on Friday, August 4, 2023 at the Pearl Country Club.** Similar to what we've done in the past, this year's tournament proceeds will be donated to the University of Hawaii ASCE Student Chapter to assist in their efforts to raise awareness and introduce more students to the engineering profession. The ASCE Hawaii Section is honored to host this fundraising tournament in support of the growth and development of future engineers.

The ASCE Hawaii Section, along with the ASCE Student Chapter, is truly grateful to our participants for the tremendous support and camaraderie experienced in previous tournaments. We kindly seek your continued support and assistance in ensuring this year's tournament is just as successful!

You can help by entering a corporate sponsored team or gathering a few friends to make a team to support. We also welcome any donations for the golf event: monetary gifts, merchandise, and/or gift certificates for team prizes, etc. All donations, excluding the value of any services/benefits received, are tax deductible. The registration/donation form is attached.

Your earliest registration would be greatly appreciated (early registration closes July 7, 2023). The deadline to register for the tournament is on **July 21, 2023**. Should you require any additional information, please do not hesitate to call Ms. Lori Fong at (808) 955-4441 or Ms. Emi Kiyoi at (808) 382-6717.

Please note that an inherent risk of exposure to Covid-19 exists anywhere other people are present, and even precautionary measures such as masking and social distancing cannot completely eliminate this risk. Any person who chooses to participate in any in-person activity assumes all risks arising from that decision. All attendees must agree to comply with all procedures described herein, as well as any other safety protocols put in place by the venue or any other applicable authorities, including the State and City protocols at that time.

Thank you for your time and consideration and we look forward to seeing you there!

Mahalo,

Reyn Hashiro, P.E., M.ASCE
President, Hawaii Section
American Society of Civil Engineers

Emi Kiyoi, P.E., LEED AP
Tournament Chair

Payment will not be accepted on the day of the tournament. **Discounted early registration and payment (for sponsor entries) must be received or postmarked by July 7, 2023. All other entries deadline July 21, 2023.**

String Game Rules \$50 per packet

Included in the packet: 18 feet of string
 Scissors
 Instructions

Each team can use the enclosed 18 feet of string, or any portion, thereof, to BETTER their lie of the ball at any time of the round, without penalty. Use the enclosed scissors to trim the string to desired length. Length of string must be discarded after use. Once the string is used, there will be no re-use of the string at a later time of the round. This is based on an honor system.

An example of the string use:

Say your team's best lie from your drive off the tee is in a sand bunker, 5 feet into the bunker. If your team chooses to, you may use, say 6'-2" of the string to get you out of the bunker. You discard the 6'-2" length of the string, as you have used it to better your lie. You now have 11'-10" of string remaining. Your team decides when the use of the string would be of the most benefit to your score.

Par Three. On a par three, if your best lie is within the 10 feet of the hole, your team may opt to use the string to post a score of one (1). However, it does NOT qualify the team for the Hole-in-One prize. To collect a hole-in-one prize, the shot MUST be made off the tee.

Any questions, please ask a volunteer and they shall get a response for you.

Thank you!
