A MESSAGE FROM Kimberly Roberts (4th Day)

Hello new 4th Day pilgrims!

It wasn't very long ago that I was in the same place you are right now. I was heading home from this mountain top experience called Via de Cristo and I was wondering how my life would look after this. How would God would use this

experience in my life? In a sense, it felt like the whole world had changed and yet it wasn't the world that had changed, It was me. And as I walked off the mountain I had a simple prayer for God to use this experience in

any way he saw fit. And as you walk off this mountain I encourage you to pray that same prayer and be prepared for God to do mighty things through you. You have a whole community that is here to support, encourage and pray you through it. My prayer for you is taken from a popular song out right now and I pray this over you as you return home. May the Spirit lead you where your trust is without borders. May you walk upon the waters. Wherever HE may call you. May HE take you deeper than your feet could ever wander. May your faith be made stronger as you live in the presence of your Savior. Amen

God loves you and so do I! Kimberly Roberts CVDC #21
