Classes Offered

Standard Classes: Novice A & B, Open, Excellent, Masters, Premier, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred, Premier Preferred

Jumpers with Weaves: Novice A & B, Open, Excellent, Masters, Premier, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred, Premier Preferred

Time to Beat: Regular and Preferred

Classes: It is the exhibitor's responsibility to enter the dog in the correct class. The trial secretary cannot make any changes (except for move-ups & as provided for in Chapter 1 Section 21 of the Agility Trial Regulations) after the closing date of the trial. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility to enter into these classes. The exhibitor is fully responsible to enter

into the correct class(es) and height divisions. Dogs running in a lower or higher height division than they are eligible will be eliminated.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title.
- The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Multiple Jump Heights Within the Same Trial Day

- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

Note - A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Height Divisions		
Regular	Preferred	Height at the Withers
Handler may opt to run their dog at a higher height division.	Handler must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11" and under at the withers
12"	8"	For dogs 14" and under at the withers
16"	12"	For dogs 18" and under at the withers
20"	16"	For dogs 22" and under at the withers
24"	20"	For dogs over 22" at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Jump Height Cards: All dogs entered **MUST** be measured by the judge before their **first** run except those with AKC jump height cards or a previous yellow measurement slip. This judge is not a VMO. **It is the exhibitor's responsibility to have their dog measured prior to running if necessary.** If your dog is measured into a taller jump height class, he must be moved up into it at the trial. **If your dog is measured down, he cannot be moved into a lower jump class. Measuring will take place at 8:15 AM, on August 11th, 12th, & 13th, 2023.** It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request (Judge is not a VMO!)

Jump Height Card Process: There is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or needs to be measured. Please mark the appropriate box, so the trial secretary knows whether to include your dog on the Dogs to be Measured List.

Safety, Behavior, and Liability

If the dog/handler is dismissed from the competition, regardless of the reason, there will be no refund. They also agree to abide by the Rules of the American Kennel Club and these Regulations.

All persons attending this dog show hereby waive any claim for damages against the Obedience Training Club of Chugiak, Inc. or its members, in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation due to improper ventilation. The welfare of an exhibitor's child is the responsibility of the exhibitor, who must exercise control and restraint over the child while the child is on the show premises. Failure to do so will result in action by the Trial Committee.

A Trial Committee may decline any entries or may remove any dog from its event for cause, but in each such instance shall file good and sufficient reasons for doing so with the American Kennel Club.

A dog that in the opinion of the judge attacks any person in the ring shall be disqualified. The judge will excuse a dog that attacks another dog in the ring or if the judge witnesses a dog attack another dog while entering or exiting the ring.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
