

2019 Innovative Grant Awardees

Look at the grant we received during this time!

On January 17th, Legacy Foundation had a grant presentation celebration. Nine organizations received generous grants for innovative ideas to boost the health and well-being of souls in Southeast Arizona. What a privilege to be among such dedicated non-profit workers who are selfless servers of our communities! Praise the Lord that the Ranch is counted worthy of the trust of Legacy Foundation. THANK YOU LEGACY! This \$70,000 grant will go a long ways in getting the Workmen's Accommodation Area completed.
