

**Jerry Kahle**  
**Inducted in 2016**

The highest compliment a musician can receive is one that comes from another top-flight musician, “I don’t know what it is, but a band always sounds better when Jerry is in it”. He has played with many old time bands but one of the highlights of his career was performing for the President in Washington D.C. with his father’s band, the Ivan Kahle Band. Jerry currently leads an approximate 30 piece church band. Of all his musical accomplishments, he seems proudest of this endeavor. He is one of the busiest sidemen in old time music.
