

Johansen Performing Arts Amphitheater

Once a Viking, Always a Viking!

This project is to provide funding for the soon to be renamed and revamped Johansen Amphitheater. After 25 years, the school is honoring one of their own alumni and beautifying the facility so that students and the community can enjoy it for at least another 25 years. The tiles will be placed on the side of the seating area. The funds will be used to support the purchasing of instruments and equipment needed by the performing arts students.
