From the President's desk:

I don't have a lot this month, as our focus is on cleaning up from this incredible winter, and the election in May.

If you, or any one you know, is interested in running for an office or the board for the coming year(s), please contact Howard Thompson, Mark Cooper, Don Robertson, Craig Smith or John Walker. This month's open meeting will have a call from nominees from the floor, as well. That will be the last chance to get on the ballot, as the nominations will close that night.

Stay tuned to the website and its calendar, there are new postings frequently. The Archery 3D shoot schedule has been set and will be posted very soon.

As always, if you have any questions, concerns or complaints, please feel free to call me 717-968-2544

Gary

Ham Sandwich Sale: pre-orders must be placed by April 4th. Pick up orders at the Main Clubhouse on April 11th 6pm – 8pm or during the Easter egg hunt on April 12th. We plan to have a limited number of sandwiches available for purchase if you don't place a pre-order.

The Easter egg hunt will be held on April 12th at 1pm on the club grounds. Everyone is welcome! We will be decorating Easter eggs on Friday, April 11th at 6pm at the clubhouse. Please contact us if you are interested in helping with boiling eggs. Donations of hard boiled eggs can be dropped at the clubhouse that evening. Anyone who would like to help hide the eggs can come at noon, prior to the start of the actual hunt. Come join us and have some great family fun!

The juniors will again have a table at York City's Earth Day event, called "Go Green in the City". If you want more information about the event on April 19, 2014 10am – 3pm, check out their website: downtownyorkpa.com/gogreen/. We will be selling assorted spring flowers from Myers Plant Farm, Blue Bird houses, Wood Duck boxes, and native tree saplings.

Trout Committee: the Trout Committee is up and running. I would first like to thank everyone who came out to the seafood dinners this year. Our pre-season stocking went with lots of help and some new faces. Our upcoming stockings are on Saturdays and because of this we are hoping for big turn outs. This stocking year will be very challenging. With all the snow and cold winter, the trout didn't eat or grow as much as we would have liked. And now we face possibly not being able to get in our auxiliary pond and at our holdovers because of wet weather. Because of this a stocking or two may be pushed until May sometime. We won't know this until it happens. Also because of the winter and already high water, we have damage at pond and our raceway. This is why our fundraisers are so valuable to raise the funds to support the committee. Our buttons are selling well. The date at Hoss's is Tuesday, May 13th and is very important. We are also starting a money raffle for the month of July. Don't forget the Fishing Derby is Saturday, May 10, 2014. On Sunday after the Derby, May 11th, females also may fish for Mother's Day. For more information, please see us at open meetings or stockings or call Duane at 515-0507

Nominating Committee: of the York Chapter, it's only two short months until the elections of Board and Officers. If you have any interest or thoughts in becoming a candidate for the Board, running for office, or can give this consideration to help the club run, please contact the committee: Mark Cooper, Howard Thompson, Don Robertson, Craig Smith, and John Walker. The club is looking for members to get involved.

Road Clean up: on Sat. April 12, 2014 at 8am. Please come out and support the club events. There will be coffee and donuts. We will meet at main club house. Thank you, Road Comm.

CPR Class: the CPR class will be held on May 3rd for members. If you're interested in taking the class, please call Don Robertson at 717/873-4171. We still have a few openings in the class.

Work Detail: will be held on Sunday May 4th.

3D Shoots: 7am – 1pm. April 27th, June 22nd, July 13th, August 3rd, September 14th

Stream Monitoring Program: on April 26th. This will be to collect and show people what stream life lives in the stream. It is very interesting and fun for all. It will begin at 2pm. Everyone is welcome.

Welcome New Members:

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
