

I am looking forward to serving as the Weld County Bar Association President this year. It was great to work under the leadership of Lee Morehead this past year. I know we all appreciated his service as President particularly his organizing the memorable Annual Dinner.

The Weld County Bar Association's next scheduled event is a CLE on bankruptcy, which will take place on Tuesday, July 18th at Noon in the Court's West Jury Room. Other upcoming CLE presentations include Sealing Records and Forcible Entry & Detainer/Evictions.

Mark your calendars for December 1, 2017. The annual Nuts and Bolts CLE will be held on the first Friday of December at the University of Northern Colorado's Ballroom.

Please let us know if you have suggestions for CLE speakers and topics.
