When beginning the set with 5 players, they will occupy positions 1, 2, 3, 4, and 5 on the court. Once a 5<sup>th</sup> or 6<sup>th</sup> player becomes available, they must be put in at an open position in the lineup submitted by the coach prior to each set.
- There is a loss of serve but no penalty/point shall be assessed for the phantom server.
- All 7<sup>th</sup> and 8<sup>th</sup> grade teams may play with a Libero provided they have a minimum of 7 players present. Use of the Libero is optional.

### C. Coaches

- Uniforms must be worn as manufacturer intended. Uniform tops cannot be tied off in front, on the side, in back, etc. unless the knot is completely tucked into the shorts.
- While it is recommended shorts be similar or alike in color, it is NOT required they match.
- The libero shall wear a uniform top that is immediately recognized from all angles as being in clear contrast to and distinct from other members of the team. Note: For Metro Volleyball Conference games this could be any opposing colored t-shirt or uniform shirt available. A contrasting color pinney may also be worn in place of a contrasting uniform.

## 3. TEAM/PLAYERS

- A. Players must attend the school or Christian Formation program at the school which the team represents.
- B. **Players can only be listed on one roster for the season.**
- C. No player may be added to the roster without the consent of the League Director. Failure to do so will result in the forfeiture of all matches in which the added player participated.
- D. Team rosters are due **one week** before the first match. Rosters must be signed by the athletic director, coach, principal/pastor, and Director of Religious Education if applicable. Teams shall not play, but will forfeit matches until completed rosters are submitted to the League Director.
- E. **Teams are limited to playing in only one league during the season.**
- F. **Only teams comprised of players representing a single school/parish and in existence as a team during the entire sport season are eligible to participate in any school or parish sponsored tournaments.**
- G. If a school is combining two grades to make up one volleyball team, they will play at the upper grade level.
- H. In NO instance will more than two players will be allowed to play down, or more than one of the two be allowed on the playing floor at the same time. If a team is allowed to play a student(s) down, all opposing teams shall be advised of the names and numbers of the players. The request will be granted only as a last resort, specifically an inability of the student(s) to play up a grade or merge with a nearby program. The request should first be made to the League Director, who will forward the request to the Archdiocese Office for Schools with its recommendation. The Office for Schools will make the final determination.
- I. A parish/school entering more than one team in one grade must have an annual tryout to ensure the proper distribution of talent.  
  
5 & 6 grades: a parish/school which enters more than one team in one grade must divide the talent *equally* based on an annual tryout.  
  
7 & 8 grades: a parish/school which enters more than one team in one grade may divide the talent into an "A" team and "B" team(s). The "A" team must clearly have superior talent when compared to the "B" team(s). The division of talent must be based on the annual tryout and easily recognizable.
- J. **The league will use its discretion to place a team in the "A" or "B" division using standings from the previous year.**

## 4. CONDUCT

- A. Coaches and players will not interfere with play. This includes berating officials, line judges, scorekeepers, and other players. The referee's ruling on all judgment calls is final. Violation of this rule will result in a yellow card warning, red card penalty point, and/or red and yellow cards together which are immediate disqualification for the match and an ejection from the gym could result thereafter. Referees have total authority on match conduct.

# Metro Volleyball Conference Rules

- B. The use of artificial noisemakers including bells, whistles, horns, etc. is prohibited from being used at any time.
- C. If the entire team or an individual player is found guilty of unsportsmanlike conduct, whether committed on the court or in the building, the team or player will be penalized. If the infraction is severe enough, the team may be dropped from the league.

## 5. THE MATCH

- A. Teams must be ready to play within five minutes after the scheduled time for the first set and another five minutes for the second set, or the team will forfeit the match. If a team arrives after the forfeit time has expired, it will be up to the referee to determine if the time remaining allows for any or all of the missed sets to be played. If the decision is made to allow part or all missed sets to be played, it is then up to the opposing team to determine if the sets will be played or forfeited. Both coaches must sign the scoresheet for the approval. If a team forfeits the match, they will be charged \$25 for the first instance, \$50.00 for the second forfeit, and \$100.00 for each additional forfeit thereafter for the duration of the season.
- B. Written **Metro Volleyball Conference** line-up sheets must be submitted to scorer's table prior to each set and remain at the scorer's table. **The Metro Volleyball line up sheet is required.** Players must be listed in their proper serving order, the first person to serve on the team being listed as #1.
- C. Teams in all grades will play up to 25 points rally scoring for sets 1 & 2. Set 3 will be played to 15 points even if a team wins sets 1 and 2. There must be a two point difference to win a set with no cap. A match will consist of three sets. Standings will be kept by matches won. Ties in standings will be resolved by the following winner of the match between the two teams which are tied. If tie is not broken then the tie remains.
- D. The home team can pick their bench prior to the start of the match. The referee will determine a home team in the event that both teams are away teams.
- E. The referee shall conduct a pre-match conference prior to each match with a player and a coach from each team. A coin toss by the referee between the captains of each team with the visiting team calling the toss will determine which team serves first. Teams shall switch sides for set two. A coin toss for set 3 with the home team calling the toss will determine the serve and side for set three. There will be NO switching of sides at 8 points in set 3.
- F. Warm ups: Each team is given 3 minutes of court time alone. This includes time for serving. There will be no shared serving. Coaches may use their own court time as they desire. If time allows, teams may use their half of the court prior to the timed warm up period. Teams are not permitted to warm up with volleyballs on the court between sets.
- G. Each team is responsible to provide one Line Judge. These should be 7<sup>th</sup> or 8<sup>th</sup> grade school or club volleyball players, high school students, or adults. Referees are expected to review MVC rules (signals, position on the court, etc.) with both line judges before each match. While it is preferable that the same person(s) line judge the entire match, is acceptable for a new line judge(s) to enter prior to beginning of each set.
- H. Players may not wear any jewelry. Earrings cannot be taped. Exception: a religious or medical medal may be worn if taped to the body under the uniform. The penalty will be an unnecessary delay of game (administrative yellow card) warning on the first offense. Any subsequent delay during the same set results in an administrative red card with a loss of rally/point awarded to the opponent. Cards do not carry over from set to set but if a team has

unnecessary delays in multiple sets, the referee may consider this unsporting conduct and penalize accordingly.

- I.** Hair combs are not allowed. Unadorned flat barrettes, unadorned bobby pins, or flat clips all no longer than 2 inches may be worn to control players' hair. Hair devices to control hair such as headbands may be up to three inches wide. Soft ribbons of any width, length, or number will be allowed. The MVC does allow a hair feather or hair wrap (yarn wrapped or woven into the hair) as long as it is secured, tied back, and without beading. Beads may not be worn in the hair. No glitter or face paint is allowed. The penalty will be an unnecessary delay of game (administrative yellow card) warning on the first offense. Any subsequent delay during the same set results in an administrative red card with a loss of rally/point awarded to the opponent. Cards do not carry over from set to set but if a team has unnecessary delays in multiple sets, the referee may consider this unsporting conduct and penalize accordingly.
- J.** Players may not chew gum on the court or on the bench. Water must be kept off the floor at all times, or an unnecessary delay of game warning/penalty point may be charged to wipe up the floor.
- K.** Pre-match back line lineup procedure will be followed. **Note:** When a Libero is used, they may line up with the other 6 starters on the end line at the start of the match.
- End of set 1: Players on the court DO NOT go back to the end line but around the standards. If the gym is too small, they go under the net. Those on the benches switch benches.
  - End of set 2: all players return to benches. After the coin flip players either stay on their side of the net or proceed to the other.
  - End of set 3: Referee blows his whistle signaling the end of the match. Players on the court proceed to the net (NOT the end line) and shake hands with the opposing team and the players on the bench follow behind them.
- L.** All teams will rotate into the serve. Serving time after the whistle blows is 5 seconds. Players may either catch OR allow the ball to drop in order to obtain a re-serve. This can only be done once per service rotation.
- M.** A tossed ball for serve coming in contact with or hitting an overhead obstruction above the service area is a fault, and is not eligible for a re-serve (i.e. basketball hoop or backboard).
- N** Setting or overhand passing a serve is allowed as long as it is not a lift. Blocking a served ball is not permitted. Attacking a served ball while the ball is completely above the height of the net is not permitted. However the contact is legal, and the ball is not out of play until it completely crosses the vertical plane of the net or is legally contacted by an opponent. If the ball drops lower than the top of the net before being hit, it's a legal hit.
- O.** A double hit is allowed on any first team contact and ball is live and can be played off any part of the body. A double hit cannot be called on a serve or first ball over the net as long as it is one attempt to play the ball. However, a lift or held ball may be called by the referee.
- P.** A ball is out of bounds and becomes dead when it touches the ceiling or overhead obstructions beyond the vertical plane of the net and its out-of-bounds extension. If the ball is hit over the net and hits the ceiling on the receiving court's side, it becomes a dead ball as soon as it hits the ceiling. However, if the ball hits the ceiling prior to crossing the net, it is still playable as long as the team has hits remaining.
- Q.** If the referee is not on site 15 minutes after scheduled start time, is the responsibility of the teams to supply a referee until a substitute arrives.

# Metro Volleyball Conference Rules

- R. Protests must be made in writing at the time of the disagreement prior to the signaling of the next service. If the final point is disputed, the protest must be made before the referee leaves the playing area. Protests are recorded on the official score sheet and signed by both coaches and the referee prior to completing the game. This written protest should be forwarded to the Referee Coordinators within 24 hours for review. Referee judgment calls cannot be protested.
- S. The referee shall have the power to make decisions on any point not specifically covered in these rules. The decision of the referee shall be final.

## 6. TIME-OUTS

- A. Each team is limited to two 60 second time-outs per set.
- B. If the team calling the time out returns to the floor prior to 60 seconds, the other team doesn't have to return to the floor immediately. They can use all 60 seconds if they wish. However, teams must be on the floor ready to play at the end of the 60 seconds. Failure to do so will result in an unnecessary delay of game (administrative yellow card) warning on the first offense. Any subsequent delay during the same set results in an administrative red card with a loss of rally/point awarded to the opponent. Cards do not carry over from set to set but if a team has unnecessary delays in multiple sets, the referee may consider this unsporting conduct and penalize accordingly.

**Exception:** A special time-out may be called by the referee when a team has an injured player, no time-outs remaining and no legal/exceptional substitutes available.

## 7. SUBSTITUTIONS

- A. Player must report to the referee before entering the playing area.
