American Legion Post 132, Orange, California, NEWSLETTER, AUGUST 2022

VICTOR DE LA ROSA, COMMANDER

Greetings all.

First, I would like to thank everyone who volunteered and helped us at the fireworks stand in Buena Park over 4th of July weekend. We had help from all the families. Legionnaires, Auxiliary, Sons and Riders were all there helping. The money we made from it will be going towards the window repair fund. Speaking of which, we are doing very well on our fundraising efforts. Thank you all.

We have a lot of events coming up at the Post. Please check our website at orangepost132.com for upcoming events.

On another note, we all know we have the Orange International Street Fair coming up. We will be looking for volunteers to help that weekend. If you can help out, even if only for a couple of hours, we would really appreciate it. Thank you.

JOSE MARTINEZ, FIRST VICE COMMANDER

Well folks, the new year is officially on its way. We started on July 1st. We still do not have stats yet, but please come down to the Post and start paying your dues. I know National has been sending out the notices, but is incorrect with the yearly dues amount. We are still unsure of how to proceed with this. As soon as we figure this out, we will notify everyone. Thanks for understanding. Be seeing you at the Post...

**BRIAN JOHNSON,
POST 132 ADJUTANT,
DISTRICT 29 ADJUTANT,
AL RIDER, SECRETARY/LEAD ROAD CAPTAIN**

The idea behind my Volunteer in the Spotlight has been to call out the positive work that the members of our legion families are doing to serve veterans, support the Post and be a positive example of the American Legion. This month I want to name every single individual name that has made our window fundraising successful, but James only gives me one page. There is the committee of very creative people from all of the families. There are the individuals who chair and supported events, worked the fireworks booth, and attend the events. There is a long list of individuals who have reached into their pocket and made direct donations large and small and there are the individual family units, including our generous sisters and brothers from UMAVA and AVU. The generosity of my fellow legion family members is very humbling and while I don't have room to name them all, they are all, my Volunteers in the Spotlight this month. Thank you.

It is renewal time and I am working on member cards right now. This year, there have been many issues with the renewal campaign. First off, many of you have shared a concern that the renewal notice does not show your accurate member years. All of the renewal notices in this first round show us all as being members since 2022. DO NOT WORRY. Your member years are intact as long as you have continuously renewed on time. This was a computer error at National and it is happening to everyone throughout California. Now the real problem. The members voted to increase our dues to \$50 a year as we continue to recover from the pandemic shutdowns. The problem is, the renewal mailer in this round says \$45. Members paying online are being charged the correct dues and future mailings will reflect the correct dues but, right now, if you paid \$45 already (and about 100 have), you did not pay the correct amount. Don't worry, the Post won't be sending the bill collectors after you. This was a Legion mistake. However, we would be very grateful if you would make a \$5.00 donation to the Post the next time you are around. Right now, every penny makes a difference as we work to improve our Post.

So far, as we have discussed training opportunities at the American Legion, we have discussed Legion basic training which is open to all and virtually free, the Officers Guide and now, I want to discuss American Legion College. Let's say that you have decided to take the basic course to get a foundation in the Legion then joined the leadership team at the Post. You have a copy of the Officers Guide that you refer to freely. But you still want to better understand the details of Post management, membership, leadership, specialized roles like the Adjutant and the Finance Officer. Two times a year, the Department holds a 4-day intensive course for current and future Legion leaders called The California American Legion College. During this course, the attendees learn all about the roles of the various officers, duties and responsibilities of managing a Post, strategies for recruitment and retention, traits and qualities of successful Posts and ways to maximize your impact on the veteran community. I facilitate the Adjutant class for this course and am an alumnus. If Legion College sounds interesting, let's discuss it. I found CALC to be very rewarding.

Until next month, I'll see you at the Post.

Comrades and Friends!

Looks like we will finally be updating all our broken windows – something major and necessary for many, many years. This is a massive financial expenditure, but the Post is proceeding carefully so that it is paid for and not a debt. Those committed to funding this project are to be commended and praised.

As we enter August, we are in the second month of the new membership year which means your 2022-23 dues are now due and payable.

Check out the calendar within the Bugle. Second Vice Commander John Schutz has all kinds of events and fundraisers planned for the month and you won't want to miss them. My personal favorites are our weekly Taco/Karaoke Tuesday and Friday night socials. Entry is free, parking free, no cover charge, no dancing fee, and always great friendship renewal opportunities.

I will miss all of you on the final Friday of August because I will be in Milwaukee attending the annual Legion Convention August 27 to September 1 as District 29 Commander. Save a dance and a drink for me on September 2!

Finally, remember our mutual commitment to the Preamble to the American Legion Constitution and the Legion's Four Pillars (Veterans Affairs & Rehabilitation; National Security; Americanism; Children & Youth); and most of all remember our commitment to our National Constitution and Country though if you are a veteran, that reminder is normally not necessary. If I can be of any help to you, feel free to contact me 24/7/365.

SUSAN WOOD, FINANCE OFFICER

Hello all: First and foremost, it's so exciting to see your participation in the Post growing. We have expanded our activities to include more bands, classes and fundraising events. We are now offering hamburgers and hot dogs on Thursday nights. We always welcome suggestions for activities.

The big news for us is that after a little more than three months of fundraising, we are approaching having raised half of the money needed to fix/replace the windows (we're at \$60K!!!!). That is truly amazing and the result of a lot of hard work by many of our members and the gracious donations of our families and friends of Post 132. The window repairs will be awarded to two contractors: One that rebuilds/repairs the windows and the other who will paint the windows (and a few extra paint touch ups on the outside of the building). Our window contractor will be working on site in the August/September timeframes. We still need to raise the other \$60K and your fundraising committee has a solid plan to raise that money. Remember, while monetary donations are needed, your coming out to assist at fundraiser events is just as important to meet our goal. As a side note, the teamwork and collaboration of so many people has really given us an opportunity to get acquainted with our families and friends and build relationships. Be safe.

Finance Officer, American Legion Post 132,

DAVID ANDERSON, CHAPLAIN

Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you.

Luke 17:6

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it is in everyone. And as we let our own lights shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

Let your light shine! Do it now! Do it today! God said that with faith, all things are possible!

Thank you Toni Munoz for providing photos this month.

STORIES FROM THE 1917 WALL

Harvey P. Riggle was born August 14, 1897, in Missouri, to Charles and Dovey Riggle. The Riggles made their way to Orange County sometime between 1910 and 1918. On July 9, 1918, at age 20, Harvey entered the US Naval Reserve in the final year of World War I.

Newspaper archives indicate he served as a third-class quartermaster in the signal corps. No records were found on where or if Harvey saw combat, but records indicate he was admitted to a Naval hospital in Hampton Roads, Virginia. No details were listed. After World War I ended in November 1918, Harvey was discharged on March 4, 1919.

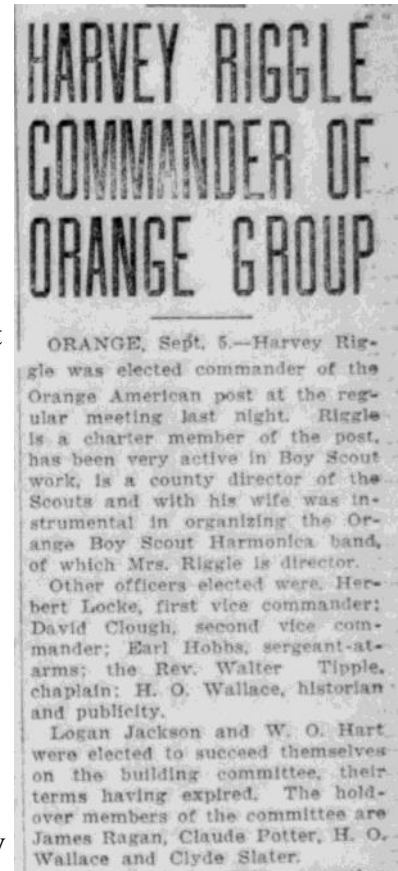

By 1920, Harvey was back in Orange, living with his folks and working as a grocery store clerk. In 1921, at age 24, Harvey married Ruth Williams, daughter of a farm laborer. Their first son, Harvey Jr., was born in 1922. Three years later they had a second son, William. By 1930, Harvey was supporting a family of four by working as an automobile electrician / batteryman.

Harvey was so active with American Legion Post 132 that in 1930 he was elected Commander. Although things were looking up for him in the late 20s and early 30s in terms of his involvement with the Legion, he faced marital problems. In 1933 he was involved in a sensational divorce and custody trial that was covered in local newspapers. The details were considered salacious for that era, and the courtroom was reported to be jammed with spectators during the trial.

After the divorce, Harvey married Mildred Anderson on Christmas Day 1934. They were married more than 40 years until her death in 1975. But married life wasn't over for him just yet. At age 78, Harvey married his third wife, Ramona Mae Bell, who was a spry 67 at the time. They remained married until Harvey passed away in 1988 at the ripe old age of 90. He is interred at Fairhaven cemetery in Santa Ana.

In addition to his service of Commander of American Legion Post 132, Harvey started a what became true Naval legacy. Both of Harvey's sons served in the

US Navy during World War II (and lived to tell about it). We thank Commander Riggle, and his two sons, Harvey Riggle Jr. and William Riggle, for their wartime service in the US Navy.

Part of an ongoing series exploring some of the 158 brave men & women on the 1917 Wall in the Post 132 clubroom.
