Current vehicle (typical)

Make and model

Year

Engine size & fuel type

What do you use vehicle for?

Date requested for trial

The expected trial duration is 2-4 weeks, between October 2016 and mid-December 2016. The minimum trial period is two weeks; trials may be extended beyond 4 weeks if vehicles are available – please indicate whether you would consider a longer trial and we will try to accommodate where possible.

Proposed start date

Proposed end date

Consider extended trial?

[Yes / No]

weeks

Proposed charging strategy

Please include information such as where you intend to charge the vehicle (on-street, off-street-public, off-street private), do you have existing charging infrastructure at your premises and whether your business has previously used an electric vehicle.

Comments

Please send this form to WestLondonEVTrial@ricardo.com and we will be in touch shortly thereafter.
