

Helping Salons in these Cities of Texas*

SalonsEnergy

Powering
The
Beauty
Industry

**NOTE: There are some limited circumstances where a city may be LISTED BELOW, however a division exists between being deregulated (Having a Choice) and begin regulated (No Choice). If you pay your energy bill to a City Energy Company, a Co-Op or municipally owned utility, such as CPS Energy or Austin Energy, unfortunately, you would not have a choice of providers at this time.*
