

# Roscan Engages Investor Relations Consultant

Toronto, Ontario--(Newsfile Corp. - October 19, 2018) - **Roscan Gold Corporation (TSXV: ROS) ("Roscan" or the "Company")** has retained Michael Poulin to provide investor relations for the Company. Mr. Poulin will assist Roscan in expanding its visibility through marketing endeavours directed towards new and existing shareholders and investors.

Under the terms of the agreement, Mr. Poulin will provide investor relation services for an initial six-month term, commencing September 16, 2018, at a cost of \$3,500 per month. The agreement is subject to acceptance by the TSX Venture Exchange.

Mr. Poulin has worked as an investor relations consultant and/or employee for approximately 12 years with various public companies in Canada, focusing on small cap companies trading on North American stock exchanges, including Golden Dawn Minerals Inc., who he has worked with for the last 8 years. Mr. Poulin received a Bachelor of Arts Degree with an Economics major and Business minor from the University of British Columbia in 1991 and completed the Canadian Securities Course in 1993.

## **ABOUT ROSCAN**

Roscan Gold Corporation is a Canadian gold exploration company focused on the acquisition and exploration of gold properties in West Africa. The Company has assembled a significant land position of 100%-owned permits in an area of large gold deposits for its Kandiole Project in west Mali.

## **Forward Looking Statements**

*This news release contains forward-looking information which is not comprised of historical facts. Forward-looking information is characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking information involves risks, uncertainties and other factors that could cause actual events, results, and opportunities to differ materially from those expressed or implied by such forward-looking information. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, changes in the state of equity and debt markets, fluctuations in commodity prices, delays in obtaining required regulatory or governmental approvals, and other risks involved in the mineral exploration and development industry, including those risks set out in the Company's management's discussion and analysis as filed under the Company's profile at [www.sedar.com](http://www.sedar.com). Forward-looking information in this news release is based on the opinions and assumptions of management considered reasonable as of the date hereof, including that all necessary governmental and regulatory approvals will be received as and when expected. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information. The Company disclaims any intention or obligation to update or revise any forward-looking information, other than as required by applicable securities laws.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
