**TUESDAYS AND THURSDAYS
10:00 TO 11:00 AM
580 RADIO LANE**

Your Health is Our #1 Priority

Our new facility on Radio Lane is fast becoming our vision of an Education & Wellness Center for the 50+ crowd. We are renovating the building to prepare for more group fitness classes, a fully equipped workout gym, a refreshment/social area, and health and wellness education.

Some have asked why we put so much work and effort into this new venture. The answer is simple, **quality of life**, because the feedback we get is that people simply want to be active in their later years, and staying fit is one of the only ways to do that.

Danielle Arnett, **M.Ed, CSCS**, Education & Wellness Center Supervisor, is developing new group fitness classes to add to our current line up, which includes: Drums Alive, Chair Yoga, Fit with Bev (Riggs), Tai Chi, Delay the Disease, and Line Dancing. When our gym is complete, Danielle will also post weekly workouts using the gym equipment.

Danielle is also working on fitness routines for Cardio patients who have completed their cardiac rehab and are looking for an ongoing program to stay heart healthy.

Denise Kiamy, **RDN,LD,CDCES**, will be joining our team to provide Diabetes Management classes and food and nutrition information, and support to people who wish to change their diet to improve their health. Our falls prevention class is getting a makeover and will also be offered at the Educational & Wellness Center.

Denise Kiamy, **RDN,LD,CDCES**
