DUES

Association dues are used for the maintenance of the common areas of our subdivision. Timely collection of the annual dues is critical to the operations of our association. If the assessment is not paid within thirty (30) days after the due date (1-31-18), an additional \$25.00 late charge will be assessed per notice and shall increase to a maximum of \$100.00 total penalty. The assessment shall bear interest from the date of delinquency. Non-payment of assessed dues will cause the Association to commence proceedings to file a lien against the property and pursue all appropriate collection remedies, which may include proceedings to foreclose the lien.
