

Guidelines for Returning to Church – Resource for the Faithful

As we prepare to re-open churches, please be aware of the following guidelines. We recognize that they may be awkward/uncomfortable and contrary to our culture of hospitality and community. In working to foster a safe environment for all, we thank you in advance for your patience and co-operation.

Before coming to church:

- Please check temperature of all family members before coming to church. If any family members have a fever, please remain home for the health and safety of all. Consult your family doctor.
- If you exhibit any of the following symptoms, please remain home at this time - cough, fatigue, loss of appetite, shortness of breath, muscle aches, loss of taste or smell, headache, runny nose, sore throat, chills with shakes.

Arriving at church

- Maintain physical distancing at all times – 2 metres (6 feet) from others – in the parking lot, church entrance and in church itself.
- Upon arrival, put on mask/face covering before entering church (for all those over the age of 3) **Note: Masks are *Strongly Recommended* but not *Mandatory***
- We will only be using the entrance from Lakeshore (and the entrance from Peter Street for those who require the assistance of the elevator) and one exit to the parking lot. Follow direction of the ushers and signs as appropriate.
- Sanitize hands upon entry and regularly wherever possible.
- Pews and aisles will be marked to note physical distancing requirements. Families and households living at the same residence may sit together; the same 2 metre (6 ft.) distance should be maintained concerning others. Follow direction of ushers for seating.
- Pews will be emptied of prayer books, hymnals, etc. Parish bulletins will not be published at this time. Please contact the office and provide your email address for the weekly electronic newsletter. Other than a cantor or choir appropriately physically distanced, there will be no singing at Mass until further notice.
- Holy Water fonts will be empty and not in use at this time.

Celebration of the Eucharist

- Please listen carefully to announcements before the start of Mass. Follow direction as advised.
- At this time there will be no Altar servers and Extraordinary Ministers of Holy Communion. Lectors will be kept to an absolute minimum during this period of time. Please do not enter the sacristy.

- There will be no offertory procession or collection. Please leave donation in the designated basket upon entry/departure as directed.
- We ask that people do not hold hands or shake hands during any portion of the celebration of the Eucharist. At the Sign of Peace, a nod or bow to others is appropriate.
- Masks/face coverings (if being used) should be removed prior to reception of Holy Communion and put back on after consumption.
- During this time of pandemic and under the guidance of local medical health officials, the faithful are asked to receive Holy Communion in the hand by placing one on top of the other
- Follow direction of ushers for communion flow ensuring physical distancing at all times
- Follow direction provided for dismissal and departure.
- Following Mass, please depart the church so that cleaning may commence. While it is our nature to congregate/socialize in the foyer or parking lot, we ask you NOT to do so at this time. Please maintain physical distancing.

General

- If you suddenly feel ill, start coughing or sneezing, please leave the church for the health and safety of others gathered.
- Children's ministry, prayers groups and other ministries that gather in the church/church grounds are either suspended or operating virtually only at this time.
- Please use washrooms only if absolutely necessary. One person or family at a time should be in the washroom. Ensure that all wash their hands with warm, soapy water after using washroom facilities. Please respect physical distancing outside the washroom.
- If, within 14 days of attending Mass, you learn that you or someone in your family who attended Mass with you has tested positive for COVID-19, you are asked to: a) contact the Ontario Public Health Authority; and, b) contact the parish office. Your identity will not be revealed to anyone other than the Public Health Authority, and only to ensure that any spread is contained
- If you would like to volunteer to help at the parish, please contact the parish office.
