ABOUT THE TEACHER

I have taught at Liberty Christian School for over 20 years. I love my young 2's. I love helping them get adjusted to new surroundings. Happy children, happy parents.

It is very rewarding to be a part of their foundation for learning. And they are learning so much: how to get along with others, how to share, take turns, be kind. These things will benefit them for the rest of their lives.

In the process, they have also taught me much. One of my favorite Bible verses is "Trust in the Lord with all thine heart and lean not unto thine own understanding."

When I'm not at school, there are many things I enjoy doing: sewing, drawing, - especially with artist's chalk and colored pencils. I love music and playing the piano and always enjoy a good book. I always love cooking and getting together with my family.
