*Community service is an integral part of empowering our people and making our communities stronger. And service must become a part of each of our lives. It has to be an integral part of each of our lives if we're going to create a more unified nation that we all want and that our President talks so much about."*

*First Lady Michelle Obama*

*If you are looking for an opportunity to integrate community service into your life, Top Ladies of Distinction, Inc. (TLOD) is for you. On behalf of the members of the Prince George's County Chapter of TLOD, we would like to extend a personal invitation to you to become a member of our beloved organization by attending an Interest Meeting from 11:00AM - 1:00PM on Saturday, January 28, 2017. *TLOD, Inc. is a professional humanitarian organization, established in Tyler, Texas in 1964. There are currently 108 Chapters located throughout the United States. The Prince George's County Chapter of TLOD was chartered August 30, 2009 where 23 ladies became members and 17 teens were inducted into the Top Teens of America Program. The mission of the Prince George's County Chapter of the Top Ladies of Distinction, Inc. is to transform our society by providing exemplary community service to youth, women, and senior citizens so that their quality of life will be enhanced, as well as the communities in which they live. We are "On the Road to Make a Difference" and our intent is to recruit Ladies who are service oriented and willing to work hard to fulfill the mission of our organization.*

*In seven years, the Prince George's County Chapter has accumulated over 4,000 volunteer hours serving Prince George's County and the surrounding Communities. We have also raised and/or donated over \$35,000 to support TLOD's Program Thrusts and Projects, completed over 130 community service projects and awarded \$9,500 in academic scholarships to 19 graduating seniors. We enthusiastically extend this invitation to you to become a member of TLOD Inc. so that you can be on the "Road to Make A Difference" with us as we fulfill our organization's mission. During the Interest Meeting, we will share information about TLOD's mission, purpose, the programs we support, how to become a contributing member, dues and answer any questions you may have. Please plan to arrive at least 15 minutes early to register. The doors will open at 10:45 AM. The meeting will begin promptly at 11:00 AM. The attire for the meeting is business.*

*We encourage you to visit our chapter website at [www.tlodpgcc.org](http://www.tlodpgcc.org) to learn more about the organization and to see firsthand the extraordinary work that TLOD is involved in within the community.
