Holiday Shopping at the Market

by Maureen Gregory

Did you know that the Willoughby Outdoor Market continues every Saturday during October? It's true! You have until October 30th to enjoy the experience of shopping local right here in Willoughby. As we approach Autumn, you will find multiple vendors offering mums, gourds, corn stalks and fall-focused yard art to decorate your home for the season.

It's also not too soon to start your holiday gift shopping. The Market has a wealth of vendors who offer products that would be just right for many of the people on your list. Your first stop should be Angelic Impressions to choose some of Rita's unique greeting cards. Rita has been a vendor at the Market for many years and can help you find the perfect hand-made card for every occasion. She

can also custom design a card for your special event. Then stop next door to visit another long-time vendor at the Tastefully Simple tent. Michelle carries spices, seasonings, mixes and more to create dips, sauces and meals that will make your food creations the hit of your holiday party. As you continue to wander through the Market, you will find vendors selling maple syrup, honey, olive oil, eggs, jelly and other products to stock for your holiday baking. Many of these items make lovely gifts for the foodie in your life. Don't forget to see Angela at the Tupperware tent to get all the containers you will need for those Thanksgiving leftovers.

You will be amazed at how many vendors offer gift items for both children and adults, as well as for pets. Look for tie-dye clothing, hand-made soaps, health and beauty products, jewelry, children's books, hand-loomed rugs, beach glass creations, pet treats and accessories, original art, repurposed art, CLE beverage coasters and beer taps, hand-turned

wood bowls, knitted and crocheted toys and clothing, garden art and more. We are fortunate to have so many creative and talented artisans at the Market.

The Willoughby Outdoor Market is brought to you by Heart of Willoughby ("HOW"), a non-profit group of volunteers with a mission of maintaining and improving the downtown Willoughby area since 1979. It is Lake County's longest running market and is held every Saturday morning from May through October (rain or shine) at 1 Public Square, more commonly known as City Hall parking lot. You can learn more about HOW at heartofwilloughby.com and on Facebook at HeartofWilloughby and WilloughbyOutdoorMarket.

Join your neighbors and friends in the community at the Willoughby Outdoor Market. When you make a habit of shopping at the Market every week, you will reap the benefits of fresh, local and hand-made goods, as well as exercise, fresh air and conversation. And you will find all the home décor and gifts you need for the holidays!

Five Willoughby South Graduates Receive the Christie Montrella Scholarship

The Christie Montrella scholarship was established by the Montrella family in 1990 honoring the memory of their daughter. Christie was a sophomore at Willoughby South in 1988 at the time of her passing. Her passing touched the entire community. The Montrella family, in collaboration with the Willoughby Police Department and Willoughby South High School faculty, select recipients from a pool of applicants. Traditionally, a single awardee is selected to receive the grant, however the committee recognized the potential of the applicants and concluded that 5 merited earning the scholarship.

The following are scholarship recipients:

Ashley Pecjak, \$1,000 – Ashley intends on enrolling at Lakeland Community College making her the first member of her family to attend college. At the age of 17, Ashley launched her own baking business, influencing her desire to pursue

a business and entrepreneur degree. She regularly volunteered her time at the Willoughby library book buddies program, Lake West Hospital, Edison School carnival and the Willoughby Safety Town. School activities included Key Club, National Honor Society, student government and prom coordinator. Ashley was able to maintain a 4.04 G.P.A. while dividing her time among many responsibilities. Daneen Baller, business teacher at South, highly recommended Ashley for the scholarship because of Ashley's drive and strong work ethic.

Catherine Carroll, \$1,000 – Catherine narrowed her college search to Kent State University or Bowling Green State University where she would like to pursue a degree in business or special education. While a student at Willoughby South, Catherine participated as a Varsity cheerleader and obtained a cumulative G.P.A. of 3.80. Jennifer Schendel, English

teacher at South described Catherine as a committed individual with a strong ability to motivate others around her. Catherine volunteered her time as a junior counselor for Willoughby Parks and Recreation. She has aspirations to enter a field targeting special needs individuals.

Emily Mann, \$500 – Emily participated as a varsity soccer, basketball and track athlete. She was also a member of the National Honors Society and obtained a 3.68 G.P.A. as a student. Emily's soccer coach, Nicole Grys stated that Emily's drive in athletics equals her drive toward academics. Additionally, Ms. Grys identified Emily's outstanding character and exceptional leadership qualities. She regularly volunteered for Willoughby Junior Women's Club and Willoughby boosters. Emily intends on enrolling at the University of Toledo with a major in business. Through her education, Emily hopes to enter

a career focused on assisting children with disabilities.

Jenna Pigza, \$500 – Jenna plans on attending Ohio State University and majoring in nutrition. She obtained a 4.21 G.P.A. and participated in drama club, key club, student council, prom committee and cheer at South High. Physics teacher Greta Hagan observed that Jenna displayed a high level of discipline not common among her peers. She also cited Jenna's high personal expectations which will assist Jenna in her future success. Jenna hopes to assist others in achieving their personal health goals.

Macie Wells, \$500 – Macie obtained a cumulative G.P.A. of 4.43 at South. She plans on attending Miami University

to pursue a major in political science. Macie was a varsity soccer player, participated in Key Club and was a member of National Honors Society. Beth Visnick, Spanish teacher at South stated that Macie embodies the saying "If you can't change your situation, change your attitude," and observed Macie on several occasions face and overcome adversity. Macie also volunteered with Kiwanis, the Edison food pantry and as an algebra tutor. She ultimately would like to become an attorney, representing less fortunate individuals.

Congratulations to each recipient and good luck in your future endeavors. The Montrella family is proud to have such worthy individuals utilize the scholarship to further their education.

our inaugural Clambake at Lost Nation Golf Course on Saturday, October 16th, the annual Pumpkin Chunkin' event on October 30th at Osborne Park and city-wide Trick or Treat on Sunday, October 31st.

We would also like to remind you that election day is Tuesday, November 2nd. Along with the mayor and all council members on the ballot, we have two very important renewal levies for consideration.

The first is a renewal of our Road and Bridge Levy, originally passed in 2006. This 2-mil, five-year levy generates about one million dollars per year and can only be spent on road and bridge improvements. Our Service Director and City Engineer maintain a master list of all roads within the city and rank them annually. This list determines what roads will be repaired during the summer. The second levy is a renewal of our General Operating Levy. This .9-mil, five-year levy

was initially passed in 1976 and generates about \$130,000 per year, with the funds going to support our operating budget. It should be noted that both levies are renewals and are not tax increases.

For those living in Ward 4, Precinct B, please note you will be asked to vote on the sale of wine and mixed beverages be allowed on Sundays between the hours of ten a.m. and midnight at Marc's located at the intersection of Euclid Avenue and SOM Center Road. This request is for a D-6 liquor permit for off-premises consumption sales.

The holidays are fast approaching, and as always, we recommend you check our website and Facebook page for updates on events and schedules.

Willoughby Lions Club Hosts Annual Sweetest Day Rose Sale

The Willoughby Lions Club has a long history of selling roses on Sweetest Day weekend. Sweetest Day is a holiday that is mainly celebrated in the Midwest. It began in Cleveland in 1921 and originally involved gifting candy. Over the years other gifts such as cards and flowers joined the celebration. This year Sweetest Day is on October 16th. We will sell roses in front of the Willoughby Library from 8 a.m. to 6 p.m. on Friday, October 15th and resume on Saturday the 16th at 8

a.m. until we sell out. The roses are priced at \$20.00 per dozen.

Buying your roses from our club is a win-win situation. You honor your loved one and we earn some money that we will use to help a visually-impaired citizen of Willoughby. We can help those who meet financial criteria with eye exams, glasses, and sometimes with visual equipment. If you have any questions, please call PDG Lion Jim at 440-223-6138. Thank you to all who have supported us over the years.

take Laketrans' Local Routes or schedule a door-to-door Dial-a-Ride starting October 5 to vote early at the Lake County Board of Elections or to their polling location on Election Day, Tuesday, November 2.

resident should have access to vote and we know that we are uniquely positioned to help get people to the polls," shared Laketrans CEO Ben Capelle. "Exercising your right to vote is one of the most important roles an individual can play in their community and Laketrans

wants to make sure that is possible for everyone."

Early voting begins Tuesday, October 5 and includes the Saturday, Sunday, and Monday before Election Day at the Lake County Board of Elections.

Polling locations in Lake County are open from 6:30 a.m. to 7:30 p.m. on November 2.

Residents who prefer to take Laketrans' Local Routes 1-9 simply need to inform their bus driver when they board that they are going to vote or just voted and the trip will be free. To vote early, Laketrans Routes 1, 4, 5, and 9 directly serve the downtown Painesville Transfer Center adjacent to the Board of Elections at 105 Main Street, Ste 107.

Dial-a-Ride, Laketrans' door-to-door service for seniors and people with disabilities, will also provide rides to early voting or polling locations at no charge and requires a reservation 1 to 12 business days

in advance. To schedule a Dial-a-Ride reservation, call Laketrans Customer Service at 440-354-6100.

Residents can also ride Laketrans free to bring their absentee ballots to the Lake County Board of Elections.

"The Board of Elections applauds Laketrans' decision to offer free rides to the polling locations on Election Day. Many Lake County residents rely on their services to help get them to and from doctors' appointments or their employers. We view the voting process as something just as vital to the everyday lives of our residents, so we are pleased Laketrans is continuing with this program," remarked Lake County Board of Elections Director, Ross McDonald.

Bankruptcy 101:

The Miracle of Bankruptcy

Bankruptcy is the most affordable, fastest working, constitutionally backed legal mechanism available for Americans in financial trouble. Most importantly, bankruptcy offers powerful protections to people that cannot be had in any other way. Some of those protections are as follows:

1.) Protection of Assets: Once a bankruptcy is filed the Court protects many assets from being taken. It also prevents garnishment of wages. In almost all cases we are able to keep a person in their home, keep their cars, and all of their personal belongings to name just a few of the benefits.

2.) Protection from Creditors: Once your bankruptcy is filed, you receive a legal protection called an Automatic Stay. This "stay" prevents creditors and debt collectors from making contact with or trying to collect money from you. The automatic stay will stop foreclosure, lawsuits, wage garnishments, vehicle repossession, utility shut off, license suspensions for uninsured accident damage to another motor vehicle and more.

3.) Discharge of Debt: Upon

completion of the bankruptcy your debt is eliminated and does not ever have to be paid back.

4.) Time to catch up on Payment: In many cases bankruptcy filers get a chance to catch up on payments that are overdue on your home, car, or other assets.

5.) Re-build Your Credit: Bankruptcy clears up and resolves your debt, judgments, delinquencies, foreclosure and other bad marks on your credit rating and gives you a "fresh slate" upon which to re-build your credit. It also prevents creditors from coming after you years down the line for debts that are labeled "write offs" or "charge offs" by the bank on your credit report but that, unknown to most, are still collectible.

6.) It Works Fast: We are able to stop creditor harassment, lawsuits, foreclosures, garnishments, repossessions and a whole lot of other problems FAST with bankruptcy. Bankruptcy is not like applying for a bank loan. It moves fast. The protections discussed can be used the same day we file. Some of these protections like stopping harassing phone calls are available immediately upon giving us money down for

representation. Bankruptcy is about having peace of mind and relief now but it is also about financial planning for the future. It is about re-establishing credit, keeping the lion's share of your property and resolving all of your current debt and bad marks on your record so that you will be in good financial standing in a few years. It is about a fresh start in life. Everyone deserves a fresh start.

Even though a bankruptcy is technically public record, the fact that you are filing bankruptcy will only be known by a few people who you probably will never even come in contact with- let alone know. It is not published in the local

newspapers. The truth is that no one really cares whether you file bankruptcy anyway. They are too concerned with their own problems.

I have often stated that bankruptcy is an act of love to yourself and your family. You do not need to live in fear of debt collectors, lawsuits, losing your home or any of the other dreaded consequences of financial problems. You do not have to deal with the unbearable anxiety of financial stress. We cannot cure your cancer but we can cure your debt problems. We can help

you regain your peace of mind. It is important to remind yourself that financial problems are temporary. They come and they go. Your health is permanent. Do not allow yourself to lose your permanent health over your temporary financial problems.

Delchin Law offers to start bankruptcy protection and stop bill collector harassment for only three hundred dollars down. If you think Bankruptcy might be able to help you, please call us for a free, confidential, no obligation consultation.

To Repair or Replace Your Homes Furnace or Air Conditioning, That is the Question?

(Refer to our Ad for More Information!)

One tough part of owning a home is the costs of repairing or replacing any HVAC equipment. Especially in an emergency situation, when your air conditioner isn't cooling the house or in the winter when your furnace isn't heating. It is never an easy decision on whether to make the investment of a new unit or repair your existing one.

Before making that decision, there are some considerations you can make to determine what is best for you and your family.

HOW OLD IS YOUR SYSTEM? On average, a furnace will last around 15 – 20 years. Air conditioners or heat pumps will last around 10 – 12 years. As units age, they will typically require more maintenance and may need costly repairs.

WHAT WOULD MY UNIT COST TO REPAIR? If the cost of repair exceeds the cost of replacing, refer to the "50 percent rule", or a general rule of thumb that encourages pursuing a new investment when the repair of an old unit exceeds half the cost of a new one.

HOW EFFICIENT IS YOUR SYSTEM? As with other technology, heating and

cooling systems have advanced to include new features and greater energy efficiency than ever before. These improvements can reduce your monthly utility bills.

LIMITED TIME OFFER! Enjoy our 12 Year Parts and 12 Year Labor Warranty. Up to \$2000 OFF HVAC Optimum or Premium System Purchase & Installation, ...Do not Delay, Call Today!

Nelson Electric and Air LLC Installs Car Chargers

If anyone has an electric car, they know it usually comes with a less than desirable 110 volt charger. We install upgrades to your charging port which require a 220 volt line. There are many different varieties of chargers ranging from \$23 to \$400.

Do you have a light switch that has been out forever, a dead outlet, or a ceiling fan that doesn't work? We do the little jobs that no one else wants to do. We are residential electricians. So what is the difference? General electrical work in Ohio does not require licensing. Specifically, only commercial contractors in Ohio need a license to work. Electrical contractors are licensed by the state and can install, repair, or alter all forms of electrical equipment.

In Ohio, you need five years of experience with a licensed electrician before you can apply for an electrical contractor license. There are a few ways that you can gain that experience. You could work as an apprenticeship for a few years, attend trade school and apply for entry-level positions, or simply climb the industry ladder in your local area. Apprenticeships teach you the basics of electrical wiring, equipment usage, and electrical theory. Residential electrician, take a course offered at several colleges in Ohio and coupled with experience can practice general electrical repairs and replacements in a home.

So that is what Nelson Electric and Air does. We do general repairs and installations in the home. We install ceiling fans, repair lamps, change out light fixtures to new LED fixtures etc. We can update electrical boxes, run a 220 line for your dryer or hot tub. Run wiring for security cameras, install electric heaters in your garage. These are typical jobs that commercial

electricians do not want to deal with.

We are covered by liability insurance, 500 to a million-dollar coverage. We will provide references upon request. We are respectful of your home and clean up our workspace before we leave. We have 30 years of experience.

We also install Air vending machines that fill car tires. We typical install these in gas

stations and car washes for free and the owner gets 35% of the revenue generated. We collect and maintain and repair these Air machines. The owner has no responsibility and no financial obligation. We think outside the box and we are open to install these machines in any business that thinks they can benefit from them.

The World is Changing. Here's What to Do

The shortage of handymen and remodelers is real. Well the good ones we should say.

Times have changed for Monthly Upkeep- Willoughby's favorite handyman. "We have been able to grow significantly through the pandemic," explains owner Spensir Chappell.

Monthly Upkeep has been seeing many new customers calling to fix work recently

done by under skilled and incompetent contractors like never before. Here's what they are recommending, waiting for a reputable contractor is a significantly better option than choosing one out of desperation. Waiting may be required, but Monthly Upkeep Handyman Service will do the project right the first time. "It's really sad seeing these customers left

high and dry by some service providers," says owner Spensir Chappell. Coming into the situation to help customers makes Monthly Upkeep look like the hero. However, Monthly Upkeep is asking that their customers wait for them to have availability. This ends up saving their customers money and headaches. Hiring the wrong contractor can be a costly mistake. Monthly Upkeep has proven time and time again to come through for Willoughby Residents

MINUSCULE MADNESS UNDERFOOT!

QUICK DRY IS HERE TO HELP!

What microscopic oval with frontal mouthparts and 4 pairs of legs can double its population in 10 hours, individually produce 20 pieces of feces daily containing 15 different proteins which trigger allergens, expel 100,000 dead corpses daily; plus mingle with bacteria, mold, spores, viruses, soils, foods, and chemicals that's found underfoot in every home, including yours? The EPA determined that dust mite buildup is the single leading cause of indoor pollution, generating on average - 40 pounds per home! Thankfully, carpeting and upholstery plays a vital, positive role acting as an environmental filter, trapping and holding impurities from the air we breathe.

Because we spend the majority of our time indoors, Dr. Michael Berry of the EPA states that "Heightened consumer health awareness must place emphasis on carpet and upholstery maintenance to remove trapped mite contaminants before they overflow and are released back into the indoor air. Properly cleaned carpet and upholstery is the most significant proponent conducive to a healthful indoor environment. Therefore, residential carpets subjected to heavy use should

be cleaned semi-annually and low traffic areas, annually; and specialized frequent cleaning programs are for commercial carpet." This is where Quick Dry Carpet & Upholstery Cleaning comes to the rescue!

We offer an affordable, aggressive 4-step process including pre-vacuuming, pre-treating, professional equipment utilizing a low-moisture solution that deeply dissolves and emulsifies soils and pollutants as it kills mites and neutralizes the allergy-causing proteins in mite droppings, and we groom the carpet nap. Quick Dry guarantees every job we do! If you're not 100 percent satisfied, just let us know within 30 days, and we will correct it for FREE! Offering economical protectors and disinfectants with convenient scheduling, we also specialize in upholstery, Oriental, and commercial carpet cleaning throughout Lake County, plus we are listed with the Better Business Bureau.

Aid and Attendance Benefit: A Little Known Veterans Resource

While it is not as well-known as many other military benefits, the VA Aid and Attendance benefit provides much needed assistance to individuals who require the regular care of another person to help with bathing, meal preparation, dressing, medication monitoring and other activities of daily living. This tax-free benefit is provided by the Department of Veterans Affairs and may be available to Veterans and their surviving spouses who live in assisted living communities, residential care homes and those receiving personal in-home care.

To qualify, a Veteran must have served at least 90 days of consecutive active-duty service. He or she must have been discharged with any type of discharge other than a dishonorable discharge. They must also have served one day of active duty during wartime to be eligible for this benefit. Also eligible are Reservist or National Guard Veterans activated during wartime for 90 days and surviving spouses of Veterans if married at the time of their Veteran's death.

Eligible Veterans must be age

65 or older or totally disabled or a resident or patient in a skilled nursing facility due to loss of mental or physical abilities or getting Social Security Disability Insurance or Supplemental Security Income. For a surviving spouse, there is no age requirement.

As of July 1, 2021, the maximum Aid and Attendance Benefits are as follows:

- Veteran: up to \$1936/month.
- Surviving spouse: up to \$1244/month
- Married veteran: up to \$2295/month
- Married veteran couple: up to \$3071/month

Proof of the need for assistance with activities of daily living is required. Certain income qualifications also apply, however most unreimbursed expenses such as insurance premiums, the cost of assisted living, nursing home, or in-home care can help reduce the counted income. Other qualifications may apply but each case is decided on the facts of the individual's circumstances.

For more information or help applying for benefits, please

contact the Veterans Service Commission in your county. In Lake County, Ohio, the phone number is 440-350-2904 or 1-800-899-5253. You can also visit their website at www.lakecountyohio.gov/veteran-services/.

They want a fair, honest price up front without all the gimmicks you see out there in advertising. We treat each and every one of our customers like family."

Financial Aid Applications are Now Open for Those Who Plan to Attend College in Fall 2022

Students who plan to start college in fall of 2022 can begin to fill out the FAFSA (Free Application for Federal Student Aid) beginning, Friday, Oct. 1, 2021. Applying early has its benefits as early applicants typically have a better chance to qualify for more grants. There are many forms of financial aid available – both state and federal – as well as scholarships. Regardless of which form of aid

the student wishes to receive, all are processed using the information provided by students and their parents in the FAFSA.

Once the FAFSA form is filled out, many students and their parents may still not be clear about the next steps. Because financial aid paperwork and jargon can be confusing, Lakeland offers "Verification + (Plus)," a service for enrolled students that provides one-on-one attention from a

staff member who will steer the student through the process to finalize and determine eligibility for financial aid.

For questions about financial aid, call 440-525-7070 or email

finaid@lakelandcc.edu. Please note: to add Lakeland as a college of choice in the FAFSA form, enter school code 006804.

Prospective students can visit campus or attend an information session. See details at lakelandcc.edu/visit.

The fall 2022 admissions

application is currently open at lakelandcc.edu/apply. For a limited time, the \$15 application fee is being waived.

Financial aid resources, videos and a list of available scholarships are available at lakelandcc.edu/web/about/financial-aid-departments.
