## Requirements:

- Dog owners **MUST** provide **written** (vet certificate or city registration receipt) proof of rabies vaccination for their dog/s. A rabies tag on the collar is NOT sufficient.
- Only children **12 years and over** will be allowed into the event with the dogs \*\*
- There is a **LIMIT** of two dogs per person.
- Dogs must be at least **four months old**.
- Owners **MUST** pick up after their dogs.
- Female dogs in their heat cycle will **NOT** be allowed.
- Aggressive dogs will be asked to leave.
- For health and safety reasons, it is recommended that people stay out of the pool.

\*\* Because of the unpredictability of interactions between dogs and children, a separate fenced enclosure will be available for families with children under 12 for a closer look at the fun. Please note that children **MUST** be accompanied by an adult in this viewing area.
