

15th Annual Shawsville Cross Country 5K

“Run for the Food Pantry” for Fall 2017

By the time of start of the race at 1000, the temperature was right and fifty, and although there was some fog and list mist, it was nonetheless marvelous day for a run along the trails and roads of Camp Alta Mons in Crockett Springs. Again the field was small but altogether the entry fees and donations added about \$600 to the budget of the Montgomery County food pantry that serves the communities and people of southeastern Montgomery County

Special thanks to Runabout Sports, Ruby Tuesday and Hale’s Restaurant for their donations of prizes for our participants.
