

Proudly celebrating our 27th year!

**RULES, REGULATIONS,
STUDENT/PARENT CONSTITUTION**

NO food or drinks are allowed in the dance rooms at any time. Students must eat or drink in the student break room or outside the building. Students are only allowed to drink water while at the studio. Please do not bring valuables to class. All attire, shoes, personal items and etc. should be labeled.

Students, parents and siblings should respect our facility and equipment at all times. No running in the hallways, excessive noise, etc. Siblings or friends of students must be supervised at all times. Absolutely no dancing or flipping in studio rooms where there is NO INSTRUCTOR present. You may stretch in the vacant rooms and that is it. Students are allowed in the dance rooms only during designated class times. Dance studio rooms are not to be used for private rehearsals or classes unless accompanied by an instructor.

Students must be dressed and ready to begin on time. Students arriving late to class may be asked to observe rather than participate in class. Respect the instructors and others classmates by arriving on time. All team members must attend no less than 1 hour of ballet, 1.5 hours of production practice and 45 minutes of flex and conditioning per week.

All team members must attend 3 workshops per year and these fees are included in with your child's Competition Account. Small group team members will be asked and expected to pay extra choreography fees and attend more workshops than others.

ATTENDANCE POLICY

Tammy Arrowood's Stars of Tomorrow Performing Teams adhere to the same attendance policy as the past twenty-five years. All students are expected to attend all scheduled classes and rehearsals that are assigned to their teams. This is an honor and a team effort and consistent attendance contributes to each student's success.

Parents must be committed to bringing their child to every class and making sure they arrive and picked up ON TIME. Students are required to participate at the fair, parade, recital and nationals. Excused absences are for illness, injury, or other family emergencies and require a phone call or email from the parent to the studio. Students with more than 3 unexcused absences will be subject to dismissal from the Performing Teams. Tammy Arrowood's Stars of Tomorrow also reserves the right to dismiss any student whose conduct, working habits, or progress is deemed unacceptable by the staff. All fees paid to the studio are non-refundable.

Please sign the following agreement and return no later than Tuesday, September 7th. \$100 Performing Team Fee must be paid on or before Tuesday, October 12th.

I have reviewed the above information with my son/daughter and understand the rules and regulations, and attendance policy of Tammy Arrowood's Stars of Tomorrow. I understand that I am required to read and respond to all emails. I understand that once fees have been determined and schedules have been made, I agree to honor my obligation as a parent and pay all fees through July 2022 along with a dismissal fee of \$150.00 if the requirements to the team are not completed. I recognize that my child's participation may expose them to certain risk of injury. I accept this risk and agree that Tammy Arrowood's Stars of Tomorrow and its staff will not be held responsible should any such injury occur.

Date

As a student, I understand my commitment to my instructors and my team and I also understand that not following the guidelines at all times will result my parents paying fees without my participating in the program.
