Fall Update

October, 2019

## **SPIRIT WEEK FUN**

The 2019-2020 school year is in full swing at ICS. Students and staff have recuperated from an event filled summer and ready for hard work and excellence this new year. ICS revisited our school verse in Isaiah as students

**Experimenting on Decades Day** | prepared for Spirit Week and learned how the

characteristics of the eagle, our school mascot, reflects so much of how God wants them to soar above the challenges in their lives and run the race set before them. It is God that gives strength to the weary and power to the

weak. The week was full of fun activities, cheers, crazy dress up days, special assembly, and a **Cultural Dinner Open House on Ethnic Day. Parents and staff** prepared ethnic meals, broke bread, and fellowshipped together.

## **ICS AND SIDEKICKS**

ICS is proud to be a part of the Sidekicks Program for the second year in a row. The Sidekicks program is provided by the Davis Phinney Foundation and Lundbeck, a global pharmaceutical company that is committed to helping people who are living with brain disorders. Sidekicks is an intergenerational story

sharing program that brings together youth and people with Parkinson's to share one another's stories

in fun and creative ways that promote mutual understanding and connection. The volunteers not only share how Parkinson's affects their daily lives, but also engage students in fun activities and art projects. Last year, our students enjoyed their one hour a week with these precious people and loved having them back this year. Thanks Sidekicks for sharing and judging our cheers and T-shirts at our Spirit Week Assembly.
