

Making Mental Health Agency Connections: Agency List

Agencies	Website	Description of Agency
Options For College Success	http://www.optionsforcollegesuccess.org/	<p>Options for College Success is a non-profit organization that supports learning challenged post-secondary students to develop the skills, the confidence and the courage necessary to transition into living independently and working productively. To do this we provide individualized support in four main areas: Academic/Career, Independent Living Skills, Social Skills/Social Activities and Finance Management.</p> <p>For intake, we require a personal interview with parents and students and an application with a \$200 application fee and copies of most recent neuropsychological testing.</p>
Trilogy	http://www.trilogyinc.org/	<p>Trilogy is a private not-for-profit behavioral healthcare organization that serves people with mental illness in the City of Chicago and the surrounding suburbs. We provide access to case management, groups, individual and family therapy, outpatient services, medication monitoring, on-site pharmacy services, housing support, employment, occupational therapy, and psychiatry and primary care through Heartland Integrated Health. How can you access these services? Please contact our Intake line at 773-382-4060 or come to our Open Access hours at 1400 W Greenleaf Ave Chicago, IL 60626 Monday through Friday from 9:00 a.m. to 3:00 p.m. for an intake.</p>
Yellow Brick	https://www.yellowbrickprogram.com/	<p>Yellowbrick's mission is to serve as the national leader in psychiatric healthcare for emerging young adults and their families. Yellowbrick provides supported Core Competence Home Services and</p>

		<p>comprehensive, integrated intensive outpatient treatments based on the frontiers of neuroscience, psychotherapy, life skills and wellness research and practice. Yellowbrick's naturalistic, real-time sober therapeutic community model offers and immersion in expert, collaborative, caring and healing relationships.</p> <p>Intake and Assessment: Yellowbrick offers a comprehensive three-day process as part of the intake process for the program but this assessment can also be accessed as a free standing service. Assessment includes in-depth interviews, psychiatric evaluation, neurocognitive and behavioral testing, education and career analysis, family systems evaluation, as well as behavioral, motivational, social, self-psychological and neurobiological analysis. Assessment also includes genotyping and prescriptive neuroimaging studies as indicated. Eligible ages from 17-30's. Contact Jung Mi Yi, PsyD at 847-869-1500 X233 for further information.</p>

Turning Point	http://www.tpoint.org/	Turning Point is an outpatient mental health care agency. We provide comprehensive services including outpatient individual, family and group therapy for all ages, psychiatric evaluation and medication monitoring, case management, crisis services, and we have a residential transitional living program. Turning Point accepts Medicaid, Medicare, Niles Township General Assistance, and

		<p>some private insurance. For those who do not have insurance, a sliding fee scale based on income offers services for a minimum of \$45 per hour of treatment.</p> <p>In order to begin services, a client or their legal guardian must reach out to our intake department directly at 847-933-0051 ext. 424, or by email at intake@tpoint.org. New and returning clients must complete an intake and registration appointment. Clients must provide proof of income and insurance for the registration appointment. After these appointments are completed, clients are placed on the waiting list for the requested service. Please note that Turning Point does not provide: substance abuse treatment, vocational training, psychological testing, or services for children under age 5. However, we are partnered with New Foundation Center who provide employment assistance. Turning Point can only provide medication management or psychiatric evaluations in conjunction w/ therapy or case management.</p>
<p>New Foundation Center</p>	<p>http://www.newfoundationcenter.org/</p>	<p>New Foundation Center provides mental health recovery, permanent supportive housing and supported employment to adults 18 and older diagnosed with serious mental illness.</p> <p>A person qualifies for service by having a serious mental illness, being 18 or older and having or qualifying for Medicaid and SSI. To inquire or make an appointment for intake contact Colleen Joyce, 847-386-3060 or cjoyce@newfoundationcenter.org.</p>
<p>Edge Learning Communities</p>	<p>http://edgelearningcommunity.com/</p>	<p>The transition from adolescence to adulthood isn't easy for anyone, but the right structure, support, and expertise can provide individuals with the</p>

		<p>foundational skills they need to develop and grow. EDGE Learning Community is for emerging adults motivated to achieve success in life. We equip students who would benefit from a support-rich and sober environment to be responsible, autonomous adults, while transitioning into independent college life.</p> <p>EDGE's location in downtown Chicago affords participants amazing experiences: immersion in a major city but with the necessary support to be productive; numerous networking experiences; world-class educational institutions; and a broad array of career paths and positive influences to allow our students to pursue their passion.</p> <p>Intake: To facilitate learning, EDGE Learning and Wellness utilizes individualized assessments that evaluate the student's educational support and life skill development needs, augmented by career advice, study halls and peer support, to establish a foundation and identify a constructive path forward. Our live-in staff are masters level, clinically trained therapists, who offer a proven approach that includes mentoring to provide direction, frameworks to track process, and culturally-rich opportunities to expand interests. For more information please spend a few minutes on our website</p>
