UPCOMING EVENTS

WEDNESDAY JULY 5

This is a Test and Tune night at Martin.

Come and take a few passes with your car, or sit and watch the "show". This isn't an official club meeting, just a night to hang out and have fun. Gates open at 5pm and racing begins at 6pm and goes until 10pm. The cost is \$15 dollars to race and \$10 to be a spectator.

The track is off the Martin exit off US131. It is about halfway between Kalamazoo and Grand Rapids. Go west off the exit ramp and make an immediate turn to the left (south) as you get off the overpass. The corner that the gas station is on will be where you turn. Then just take that maybe a mile or so to the track.

WEDNESDAY AUGUST 2

Mystery Car Cruise

We will be meeting at Riverside Park at 7:00 pm and cruising from there. Come with a tank of gas and enough money for ice cream and ready to have a good time.

To get to the park take the Ann St. exit off US131 in the downtown G.R. Go east on Ann St. to Monroe. Go North on Monroe to the Riverside Park.

UPCOMING EVENTS

FRIDAY AUGUST 4

Please come when you can to help with setup, parking, raffles, and entrance fees. Many hands make light work. Plan on coming to help, but have a great time while you are there. SATURDAY AUGUST 26

Metro 28th Street Cruise

The cruise is being extended further down 28th street this year, so there will be plenty to see and do. The club is helping out with the car show at Grand-Pontiac in Grandville. Once again if you are willing to help out and lend a hand with the event we would be happy to see you there!

WEDNESDAY SEPTEMBER 6TH

Ottawa Beach Picnic

This is our annual potluck at the beach. And since it is after Labor Day, no state park fee! The club will provide hot dogs and brats. Please bring your own table setting, beverage and a dish to pass.

J U N E M E E T I N G

There was a buzz in the air at the June meeting. Summer is finally here and although the mosquitoes were out in full force, they couldn't keep us all from enjoying great food and good company. Thanks to everyone who came out, endured the bugs, and provided a tasty meal.

T H A N K Y O U !

we wanted to take a minute to thank all of you for the baby shower at our last meeting. your thoughtfulness was deeply appreciated. we used the gift card to get all of the extra essentials that we will need for the baby (diapers, towels and wipes etc). The nursery is all set and so are we. hopefully the next newsletter will announce a "new member" of the club! Thank you!

June-July Newsletter - Because of the National event this year being in California and not much else happening in the end of June and beginning of July, we decided to combine the two months into one.

The Burn Show was very well attended, 400+ cars and it was a beautiful day. I want to thank the many club members that helped for such a worthy cause.

Our Spring Dust off was not well attended, there were only 3 couples that went. We had a wonderful time and excellent weather though. They had a car show and many cars and parts for sale, and the ladies had many Crafts and Antiques to look at and keep them busy. We are planning on doing it again next year and hope you will plan on going also. Doug Kamphuis will have more information later.

Remember Wednesday is cruise night at Gilmore Car Museum. Stop to see George & Sally at the Diner while you are there.

A car show is planned at Kruse Auction Park in Auburn, Indiana on July 15 from 8 am to 11 pm. Check it out at www.acdfestival.org or email acdfestival@abcglobal.net for more information.

Our next meeting will be Wednesday August 2nd. We have a fun night planned so come out and join us on our Mystery Cruise. See the Upcoming Events for more details on times and where to meet.

Friday August 4th is our Elhart show in Holland. We will need good attendance from the club to make the show run well, so we will see you there!

August 26th is the Metro 28th Street Cruise. We will be setting up at Grand-Pontiac in Grandville. It was a good time last year, so please come out, support our club and lend a hand at the show.

Until then...keep the rubber side down!
