

VETERANS OF FOREIGN WARS AUXILIARY
Americanism/Patriotic Instructor
April - 2016
Dept. of Wisconsin

Happy Spring to all the Auxiliary Members,

Here is a refresher on the Etiquette of the Flag.

1. The flag of the United States of America should be at the center and the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.
2. The flag is never allowed to touch the ground.
3. Never fly the flag upside down except as a signal of distress in instances of extreme danger to life or property.
4. The Flag can be flown every day from sunrise to sunset and at night if illuminated properly.
5. When the Flag is passing in a parade, all persons should put their hand over their heart, military personnel may render the military salute.
6. When the Flag is badly torn, soiled or faded, it should be disposed of properly. It should never be thrown in the garbage. Find a Flag disposal container in your town for it.

Please continue to educate everyone on the proper respect of our Flag.

Continue to Fly High for our Veterans Now and Forever.
