

# DECEMBER 11TH HEALTH SCIENCE PROGRAM INFORMATION NIGHT

## Osseo Senior High Health Science Magnet Program

We want to invite you in to learn more about Osseo Senior High's Health Science Magnet Program and how it can support your student's career goals in the Medical Field!

### Program Benefits:

- Prepares students for a potential career in Health Science or medicine
- Builds essential patient care skills through hands-on learning experiences
- Offers opportunities for students to build relationships with professionals in the medical industry
- Provides options for students to earn credit at designated colleges, saving time and tuition
- Helps students build a resume that will set them apart when applying to medical programs.

The program is available to all students in the Osseo School District, along with students in the Buffalo-Montrose-Hanover, Rockford Area, Elk River, Anoka-Hennepin, Brooklyn Center, and Fridley School districts.

**Tuesday, December  
11th 6:00-7:00pm
