

G. Residence Lincoln, Ne

Working closely with the home owners Elevate Design Studios developed a contemporary residential landscape. The Residential design included a mix of native prairie grasses and manicured lawn spaces with trees located strategically to enhance the views from the residence.

Key Elements:

- ▶ Aesthetic material selection
- ▶ Mix of Prairie and manicured lawn space
- ▶ Uses that allow year round use
- ▶ Flexibility for future phases

Budget: \$50,000

Completed: 2007

Reference: N/A
