

Meadowland Estates Condominium

A Great Place to Live

With spring upon us, the Board of Managers will like to invite each homeowner to a Special Meeting.

The purpose of this meeting is to update all of you about the current renovations and bring some new exciting information to your attention.

Date: April 23rd, 2014
Time: 7:00pm
Place: Rab's Country Lanes
Address: 1600 Hylan Blvd. S.I., N.Y., 10305

*** Refreshments will be available.**

Please be advised that work to our grounds are in progress so we ask that you please refrain with any work to the outside restricted area of your unit until you have heard from us.

The Home Owners' Association will be painting the entry doors to every unit with the **approved** Meadowland Estates color. A schedule is forthcoming. As soon as we receive a schedule from the painter, we will advise each of you.

You will be asked to choose a date to have your door painted that is convenient for you. Homeowners must be home to have their doors painted and dried properly. We are asking that you arrange your schedules to fit our time constraints.

Any stickers other than an address sticker must be removed from your door prior to having it painted. For those homeowners that have address plaques, it will be removed & reinstalled by the painter for that professional and finished look. Most of us have plaques but for those of you who have stickers will be given a choice. You may leave them on and the painter will paint around them, or you may have them removed. If you have them removed, you may replace them with new address stickers, or choose one of the approved door plaques on our website, both at your expense.

The Board is very excited to have you attend this meeting, and look forward to seeing you all there.

As always, thank you for your continued support and cooperation.
