ARTICLE7

Assessments and Enforcement

7.1 Assessments or Charges and special assessments for improvements shall be fixed, established and collected from time to time by the Association as hereinafter provided. Such assessments and special assessments together with such interest and costs of collection shall be a charge on land and shall be a continuing lien upon the property against which each assessment is made. Any continuing lien created by an assessment pursuant to Sections 7.1 and 7.2 shall be a second lien behind and purchase money mortgage lien, or utility lien for water, sewer and garbage service provided by the City of Midland, but shall be ahead of all other (subsequent) liens against the property. Each such assessment, together with such interest and cost of collection, shall also be the personal obligation of the person who was the owner of such property at the time of assessment. Assessments shall be applied on an equal basis to all Members of the Association. Assessments levied by the Association shall be used for improvements and maintenance of properties, services and facilities, repair, replacement and additions within the Common Area, including, but not limited to, payment of applicable insurance and taxes, cost of labor, equipment, materials, management and supervision.

7.2 Special assessments for capital improvements in addition to the annual assessments may be authorized by the board of directors in accordance with the Bylaws of the Association for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described improvement upon the Common Area..

7.3 Notices and Due Dates of Assessments. The board of directors of the Association shall specify the due date and amount of assessment at least fifteen (15) days in advance of such due date and shall prepare a roster of the properties and assessments applicable thereto. Written notice of the assessment shall also be mailed to every Residential Lot Owner at least fifteen (15) days in advance of the specified

due date of the assessment. The due date of any special assessment shall be established by resolution of the board of directors of the Association. Upon demand by any Residential Lot Owner liable for assessment, the board of directors shall furnish in writing signed by an officer or director of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment.

7.4 Effect of Non-Payment of Assessment. If the assessments are not paid when due, then they shall become delinquent and together with such interest and cost of collection, become a continuing lien against the property which shall bind the hands of the then owner, his heirs, devisees, personal representatives and assigns from transferring the property without the lien. Additionally, however, the personal obligation of the owner to pay such assessment shall remain his personal obligation for the statutory period and the personal obligation shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency. The Association may bring an action at law against the owner personally obligated to pay the same, or the Association may foreclose the lien against the property. Costs of preparing and filing the complaint in such action, together with reasonable attorney's fees, shall be added to such assessment, and in the event a judgment is obtained, the judgment shall include interest and attorney's fees, together with the costs of the action. Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessment, charges or liens.

7.5 Enforcement. The Association shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of the Covenants. The Association, by and through its Board, is authorized to adopt rules and regulations setting forth the procedures to be followed in connection with such enforcement and in implementing any fine or penalty as outlined below, except as otherwise reserved to the Members by law, by the Articles of Incorporation or by the Bylaws of the Association. Failure by the Association to enforce a Covenant will not be deemed a waiver of the right to do so. Invalidation of any of these Covenants by judgment or Court Order shall in no way effect any of the other provisions which shall remain in full force and effect.

7.6 Fines for Violation(s). If an Owner of any Lot fails to abide by the Covenants and if such failure or default continues uncured for seven (7) days after written notice thereof mailed to the Owner of the Lot at the Owner's last known address, the Association may (i) impose fines upon the Lot in amounts determined by the Association Board or (ii) go upon such Lot and correct the default, or (iii) suspend the Owner of the Lot's use of Common Areas, and in any of the foregoing (i)-(iii), the Association shall not be guilty of any manner of trespass or liability to the Owner in any respect as a result thereof and no Owner shall escape liability for Assessments by virtue of any such action by the Association. The Association may, in its discretion, take a combination of the foregoing actions and taking any one action shall not be deemed to prohibit taking additional action. In the event a violation is not of a continuing nature (i.e., single criminal acts, disruptive behavior requiring third party intervention, and the like), a written notice shall constitute a continuing written notice for such activity. Any further violations shall be deemed a failure or default and subject the Lot owner to enforcement as provided herein.

The Owner shall be obligated to reimburse the Association for all expenses incurred by it in performing any such work under (ii) above. Fines imposed by the Association Board under (i) above shall be defined and promulgated annually by the Board. A separate schedule of offenses and fines shall be published annually by the Board and shall continue in effect until a subsequent publication is made. The schedule of

offenses and fines may be revised at any annual meeting of the Board or at any special meeting of the Board called for the purpose of revising the schedule of offenses and fines. Each day shall constitute a separate offense for purposes of calculating any fine. Any default on the payment of the reimbursement or fines imposed by the Board shall be secured by a lien against the Lot in the same manner as the Assessments.

7.7 **Notice of Violation.** The Association shall provide a notice to each Owner of any Lot that violates the Covenants by certified mail, return receipt requested to the last known address on file with the Association for such Owner in conformance with the laws of the State of Texas.

7.8 **Liens.** Each Member is obligated to pay to the Association the Assessments which are secured by a continuing lien on the Lot against which the Assessment is made. In addition, each Member is obligated to pay to the Association any fine imposed upon the Owner or Lot for any violation in accordance with these Restrictive Covenants, which shall also be secured by a continuing lien on the Lot against which the fine is made. Any Assessment or fine not paid when due will be delinquent. If the Assessment or fine is not paid within thirty (30) days after the due date, the Assessment or fine will bear interest from the date of the notice of delinquency at the rate of the lesser of the maximum amount permitted by applicable law or ten percent (10%) per annum, whichever is greater, and the Association may bring an action at law against the Owner personally obligated to pay the Assessment or foreclose the lien against the property, and in either event, all interest, costs, and reasonable attorneys' fees of any such action will be added to the amount of the Assessment or fine. Foreclosure of any lien hereunder shall comply with the requirements of the laws of the State of Texas.

ARTICLE 8

Duration and Enforcement

8.1 The covenants, restrictions, reservations and servitudes herein set forth shall continue in full force and effect until December 31, 2020, after which time these covenants shall automatically extend for successive periods of ten (10) years unless an instrument is signed by Owners of at least two thirds (2/3) of all Lots recorded in the Official Public Records of Midland County, Texas which contains and sets forth an agreement to abolish these Covenants, restrictions, and reservations, provided however, that this agreement to abolish the covenants shall not be effective unless made and recorded one (1) year in advance of any renewal date of these covenants. To the extent this Amendment conflict with the provisions of the Restrictions and Covenants recorded at the Deed of Records of Midland County, Texas, the provisions of this Amendment shall govern.

8.2 If any restriction herein set forth is declared invalid, the remaining restrictions shall nevertheless continue in full force and effect. The Declarant or its employees shall not be liable for any incidental or consequential damages arising as an outcome of any of these provisions. Violation of or failure to comply with these Restrictions and Covenants shall not affect the validity of any mortgage, bona fide lien or other similar security instrument. which may then exist on or against any tract.

8.3 If any person acquiring land or any interest therein in this Subdivision shall violate or attempt to violate any of the restrictions herein set forth before the first day of January, 2021, it shall be lawful for any other person or persons owning land or any interest therein in said Subdivision to prosecute proceedings in law or equity against any person or persons so violating or attempting to violate such restrictions, either to prevent such violation or such violator from so doing or to recover damages by reason of such violation; provided, however, that such proceedings; if conducted, shall be at the sole cost and expense of the person or persons prosecuting the same.

ARTICLE 9

Amendments and Extensions

9.1 All changes and amendments shall be in accordance with the platting and zoning procedure of the City of Midland, and those changes and amendments, which relate directly to the Association or the Common Areas shall be reviewed and approved by the City of Midland before enactment, and subject to the foregoing, shall be as follows:

- (a) Until at least seventy-five percent (75%) of the acreage, which has been or will be platted for residential use in the Subdivision has been sold, the Developer may amend or change these Restrictions or Covenants and shall not be required to obtain the consent of the owners of Lots or tracts comprising this area.

- (b) Anytime after at least seventy-five percent (75%) of the acreage comprising the residential portion of the Subdivision, whether as currently exists on or including additions made pursuant to Article 4 of this Statement, is owned by individuals who have built or who are in the process of building for personal occupancy on their respective tracts, the Restrictions and Covenants set forth herein shall be subject to amendment or alteration by the affirmative vote of the owners of two thirds (2/3) of the average subject hereto. Upon any addition or annexation to Greathouse pursuant to Article 4 of this Statement, current ownership shall be calculated on the total average existing after the addition or annexation, including any acreage added or annexed to the residential portion of Greathouse.

Any and all amendments to these Restrictions and Covenants shall be recorded in the office of the County Clerk in Midland County, Texas.
