

MEMBER BENEFITS

LEARN, GIVE BACK, SOCIALIZE, STAY IN TOUCH WITH CORNELL

- **Monthly luncheons** from November through April bring faculty and staff from Cornell and local speakers addressing a myriad of topics.
- **Special events** begin in October with a party at the Sarasota Yacht Club for all Cornell alumni, parents, and their families and they continue with many entertaining educational events, including tours of local businesses, academic and cultural facilities. You can also participate in our Cornell Cares program when we give back to our community. This year we are helping at All Faiths Food Bank in January.
- **“Young” Alumni** events for the classes of 1980-2018 offer a way to socialize and network with fellow alumni and also to meet graduates from other colleges and universities.
- **Online Member Directory** access helps keep you in touch with other members. It is password protected and is online.
- **Online newsletters** alert members to our events and also to major happenings at Cornell.
- **Opportunities to volunteer** are available whether it is serving on the many committees such as CAAAN (meeting with students who applied to Cornell or attending college fairs representing our university) or participating in the management and operation of the Club.
- **You will meet current students and their parents at the January luncheon and join others in supporting the Club's Scholarship fund.**

The Club provides many venues for renewing old friendships, stirring up memories and affording you the chance to meet new people from all over our country and the world! The Cornell Club of Sarasota-Manatee is the most active and successful Cornell club for a community of our size among the 80 clubs in our country. There are 30 additional clubs in other countries.
