To the Sherburn and Welcome City Councils,

The department logged 115 calls for service for the month of July. This brings the total for the year to 1,128. During this same reporting period, the department handled 1,099 calls in 2015 and 1,194 calls in 2014.

The department web-site had 1,293 visitors in the month of July. This is about average for the department and the site definitely gets utilized a great deal each month.

Response time average for the month was approximately three minutes and forty seconds. This is slightly higher than what we typically do, but is still excellent

Welcome Days was in the middle of July and the department had a relatively uneventful week-end. There was one incident that occurred on Saturday night that resulted in charges. Otherwise, it was a good week-end and everyone seemed to have a fun time.

I hope everyone enjoys the remainder of the summer. School will be here before we know it!

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes", written over a white background.
