### **February 2017 News**

Greetings family, friends, and missionaries,

Hope you have enjoyed your Winter. It has been strange and mild weather in the mountains; looks like March will come in like a lamb and we shall see if it will go out like a lion.

We have had a full and blessed month since our last newsletter went out. As always, we are very thankful for your friendship, love, and prayers. We thank you for joining us on mission by praying for the people who live here in Kentucky.

One day a woman came into FC for prayer! After we prayed for her and the family...her husband appeared. We talked a few minutes then he said, I need to get saved today...Holy Spirit was present, we cried as he and his wife prayed for salvation. Praise the Lord; the angels danced with us. We are excited because that is what it is all about.

The Lord blessed a weekend journey through Atlanta to Union BC, Griffin, GA. We enjoyed fellowship around the meal tables with God's family...we were spiritually and physically fed. On Sunday, as we walked into the worship center we experience people praying at the altar, the deacons praying, and the leaders praying over the church building. Later a deacon and pastor prayed with us the guest speakers. The people were ready to worship from the start: they have repented, they forgave and prayed for others, and gave thanks to Father God. Before the praise leader began the music, the people worshipped! The Holy Spirit lead a wonderful worship service as we gave glory and honor to God. He added a new sister to His family... it was a great privilege to share Jesus' love and about His FC Ministries.

After we returned home to Lynch, the following Wednesday Pleasant Hill BC, Martin, GA missionary ladies arrived on their first Kentucky missionary journey. For several days, they served our Lord with excitement...they were our first never missionary team to serve in February. FCM received donations from 3 different churches this month; we are blessed that the team assisted with inspections and stocked the shop. Also, these sweet WMU ladies prepared desserts for the Friday night meal with River's Edge Fellowship at Club 180.

The Lord lead us to help the next generation with their self-esteem with dance & baseball scholarships for boys and girls. The local dance instructor said, a couple of children have come out of their shell after a few dance lessons. One of the baseball coach's stated several children need assistance with shoes and uniforms.
